St. Louis Yerkes was given a trial of one game on the Omaha team last year and was let go, as he was said to be no good. St. Paul Ready for Piny. The Omaha base ball team arrived at 1:25 vesterday afternoon over the Rock Island from St. Paul, where it completed its series of games Monday. All the men are in good shape save Graham, who has a bad hinger. President Rourke is well satisfied with the showing the team made among the northerners, it having wen two out of the five games, three with St. Paul and two with Minneapolis.

Rain stopped the last contest with the Millers in the last half of the critical liming—the fifth. The score was then 4 to 2 against Omaha, so the weather gods were with the Gate City men. It was the rubber

ing—the fifth. The score was then 4 to 2 against Omaha, so the weather gods were with the Gate City men. It was the rubber game of the series with Minneapolis, each team having won one, and it was proposed that the Omahans run over from St. Paul yesterday afternoon and play it off.

That would have delayed their arrival in Omaha one day, however, and as the frain was not scheduled to get in till so near game time Rourke was afraid that it night be sufficiently late to lose him the game with Denver this afternoon So he did not take any chances, and the blank spot on the record can be filled in with Minneapolis at some later date. Anyway, it would have been hard on the boys to get right off the train after many hours ride and play ball. Either Coons or Payne will pitch against Denver today, probably the latter, his arm being entirely recovered. There is every reason to expect at least two victories out of the three games. Colorado Springs comes next. A good crowd will be at Vinton park to welcome back home the neam who have fought their way to third place and promise to go higher soon.

The line-up between Denver and Omaha this afternoon will be as follows:

### FASHION ATTENDS THE RACES Disagreeable Weather for Opening Day at Ascot-American

ASCOT HEATH, England, June 18.—The aristocratic race meeting on the Royal heath opened today with cold, gloomy weather, but though short of its chief attraction, the royal procession and the attendance of members of the royal family, the migration of fashionable London into Berkshire promises to make the meeting the usual great social success.

From the sporting point of view, the hard condition of the course is liable to upset a number of favorites. All the best horses of the year are engaged in one or more events, 27d upward of 150 have already arrived here to contest for the rich stakes, aggregating in the neighborhood of £40,009.

The racing opened promisingly for the Americans, William C. Whitney's chestnut colt Watershed (J. Reiff) winning the trial stakes of 10 sovereigns each, with 500 sovereigns added, for 3-year-olds, seven furlongs and 166 yards.

Douglas Baird's Veronez won the Prince of Wales stakes of 50 sovereigns each, with 1,000 sovereigns added, for 3-year-olds, distance, about one mile and five furlongs. Padlock II (Maher) was second, and St. Amour was third.
