Waterhouse Plan Gors.

Superintendent Jarroll G. Pearse and Principal A. H. Waterhouse of the High school were authorized by the board to take steps to put into effect the class group system in the High school. Mr. Waterhouse recently outlined in a letter to members of the board his plan of grouping pupils in sections according to their ability, and allowing them to complete the work of the High school as rapidly as they are able. This plan was fully approved in the resolution adopted by the board. W. F. Johnson spoke against the change in the High school and voted against the resolution. CLEAN UP SIXTEENTH STREET Mr. Christie also opposed it. All the other members favored the plan but Mr. Barmard, who did not attend the meeting.

The following resolution was presented by the finance committee and unanimously adopted by the board:

 sdopted by the board:
 Whereas, Certain well-defined rumors exist and a committee of the Commercial club has charged a failure on the part of the Board of Education to enforce a collection of these and charges properly due to the school fund of this district, and Whereas. The resolution formerly adopted to the mayor and city council in this matter, has been unproductive of results, and the whereas a rigid examination of the facts and charges herein specified and definite results can only be obtained by a grand jury; therefore, be it Resolved, That a committee of three be spoolned by the president of this board to use the name of the Board of Education of the Competition of the carts authorized to use the name of the Board of Education of the city of Omaha as requesting the calling of such grand fury. appointed by the president of this board to urge upon the authority having the power to call such a grand jury the neces-sity of the same and such committee is suthorized to use the name of the Board of Education of the city of Omaha as re-juesting the calling of such grand jury. President Hayward did not mame the committee last night.

Salaries Increased.

The salaries of the following heads of departments at the High school were in-creased from \$120 to \$130 per month: H. M. Benedict, Alice Landis, Laura Pfeiffer, Bessie Snyder, H. A. Senter. The salary of N. B. Van Matre, head of the commer-The salaries of the following heads of

President Cheek of the board of control said yesterday afternoon that he had no fears of interference with the exhibitions of Mexican bulls to be given in the amphitheater, as the association had secured a license from the government for a wild west show and an exhibition such as is intended. This license, he asserts, was issued by the government upon the pay-

ment of a fee of \$25. From reports received at the headquarters of the association it appears that excursions will come from all over Nebrasks and from many points in western Iowa.

The heavy rain of yesterday afternoon caused work on the booths to be discon-tinued, but with bright weather today an additional number of men will be put to work in order that a majority at least of the booths may be ready by tonight. Some of the booths already decorated were damaged by the storm and new bunting will have to be secured.

some little discussion it was decided to adjourn until the next regular meeting on July 15. The making of the annual lavy was about the only business of importance aside from the allowing of bills. Mayor Kelly says that if it is desired a special meeting can be called for the purpose of making the levy.

Tax Books Completed.

The Board of Review composed of Tax Commissioner J. J. Fitzgerald, C. C. Stanley and J. H. Kopeitz completed its labors yesterday and the books will be open for inspection at the city offices today.
