

GIVE UP ATTEMPT TO LYNCH

Kansas City Mob Disparages with the Coming of Daylight

PROSPECT THAT IT MAY GATHER AGAIN

Goit of Three Prisoners Fairly Well Established—All of Them Have Criminal Records Behind Them.

KANSAS CITY, July 13.—The mob which made a demonstration last night against the county jail, where Frank Holland and Joe Robertson, negroes, charged with an assault upon Miss Grace Davis, are confined, broke up at 3 o'clock this morning into disorderly groups which chased and assaulted dozens of negroes who had given no offense.

At an early hour today gangs of men were still hanging about the north end of town, talking of the Davis outrage and threatening the negroes. An attack on the jail, if attempted, would have been repulsed, the police say.

Roberts and Holland, the negroes whom a mob tried to reach at the county jail last night, for assaulting Miss Grace Davis, were "sweated" early this morning. While neither admitted complicity in the crime, the officers felt convinced by their actions that they are the guilty men. Maupin, the third arrest, is now believed to be the leader of the trio and the chief offender.

It is believed that, since the guilt of the men has been practically established, an attempt more determined than that of last night will be made, probably today or late tonight, to mob the county jail and lynch the men. Deputy marshals this morning changed their feeling toward the negroes when their guilt became more certain and one or two officers at the jail were heard to express the sentiment that all three negroes richly deserved lynching.

Marshal Maxwell has been very precaution to protect the men and says he can successfully combat any attack on the jail.

Both the police and the county officials are endeavoring to keep the whereabouts of the negroes secret, but it is known that all three are in the county jail. Roberts and Holland were supposed to have been spirited away from the city last night, but it developed this morning that they had simply been taken into a tunnel running from the jail to the court house across the street and kept there until the excitement died down. The mob dispersed before daylight and the men were returned to their cells.

Maupin, it is believed, will be arraigned during the day, when trouble may result. If possible he will be taken before Miss Davis today to see if she can identify him. She has already partially identified Roberts and Holland, who, she says, held her while the third man committed the assault. Maupin has served time in the county jail and at one time was a "trustee." Roberts has served time in the penitentiary.

Governor Dockery has offered a reward of \$200 each for the arrest of the assailants of Miss Davis.

The thirteen men arrested last night for inciting riot were fined \$5 each in police court this morning and released. The charges against them were disorderly conduct, carrying concealed weapons and destroying personal property. Roberts and Holland were arraigned late yesterday and their preliminary trial has been set for July 22.

At 5 o'clock all was quiet at the county jail. A hundred loungers loitered about the outside, but they were the usual court room habitués who are there daily.

VINDICATES MRS. CONGER

New York Paper Admits It Was Wrong in Its Story of Iowa Minister's Wife.

NEW YORK, July 13.—(Special Telegram.)—The wife of Minister Conger today forced a New York paper, the Evening Journal, to publish her letter denying the charge of looting in China. On June 23 that paper published a cablegram charging Mrs. Conger and Lady Hester with looting the Chinese storerooms in the Pekin palace broken open. Mrs. Conger at the time of publication was in Boston. When her attention was called to the story she wrote a personal letter branding the charge as absolutely false and demanding a prominent place in the paper for her denial. Her letter was entirely ignored. Mrs. Conger after waiting wrote again and receiving no attention brought a libel suit for \$50,000 damages. Papers were served today and in the most prominent place at the top of the paper the big headlines of the paper publishes her letter denying the charge of looting in China. The article referred to did Mrs. Conger a great injustice. This is all Mrs. Conger desired and she will withdraw her suit.

IS IT AN EPIDEMIC?

Vital Statistics Show an Alarming Increase in an Already Prevailing Disease—Are Any Exempt?

At no time in the history of disease has there been such an alarming increase in the number of cases of any particular malady as in that of kidney and bladder troubles now preying upon the people of this country.

Today we see a relative or friend or an acquaintance apparently well, and in a few days we may be grieved to learn of their untimely illness or sudden death caused by that fatal type of kidney trouble—Bright's disease.

Kidney trouble often becomes advanced into acute stages before the afflicted is aware of its presence; that is why we read of so many sudden deaths of prominent business and professional men, physicians and others. They have neglected to stop the leak in time.

While scientists are puzzling their brains to find out the cause, each individual can, by a little precaution, avoid the chances of contracting dreaded and dangerous kidney trouble or the government of the body from their system if already afflicted. Many precious lives might have been, and many more can yet be saved, by paying attention to the kidneys.

It is the mission of The Bee to benefit its readers at every opportunity and therefore we advise all who have any symptoms of kidney or bladder trouble to write today to Dr. Kilmer & Co., Binghamton, N. Y., for a free sample bottle of Swamp-root, the celebrated tonic which is having such a great demand and remarkable success in the cure of the most distressing kidney and bladder troubles. With the sample bottle of Swamp-root will also be sent free a pamphlet and treatise of valuable information.

SUPREME MASTER WORKMAN

A. C. Harwick of Buffalo Visits Union Pacific Lodge, Ancient Order United Workmen.

A. C. Harwick of Buffalo, N. Y., supreme master workman of the Ancient Order United Workmen, was in the city last night and delivered an address before Union Pacific lodge of the order. Many members of other lodges of the city were present. The supreme master devoted his time to a discussion of the growth of the order in their jurisdictions, especially in that of Ohio, where the work has received a new impetus.

South Omaha News

In all probability the city officials will be able to furnish to the purchaser of the late \$50,000 bond issue the majority of the long since demanded certified copy of the South Omaha charter. H. L. Cohn, who went to Lincoln yesterday to secure this, was informed by Secretary Marsh that the copy would be immediately made and forwarded to South Omaha without delay.

The finance committee of the city council has worn a worried look ever since this matter first came before it. The demand by the attorneys of Mr. Hoobler for this copy was a surprise to the persons having the matter in charge, although at the time they did not anticipate any trouble in securing the certification from the secretary of state.

Ever since the first demand was made for the copy there has been much correspondence over the securing of this document, until the city, tired of the delay, Mr. Cohn to Lincoln to see if the matter could not be hurried through. It seems that he was successful in his work and the copy will be forwarded today. At least he was so assured by Secretary Marsh.

Why the city is so anxious to have this matter finally closed up is that it means a reference of 4 1/2 per cent and 6 per cent on the bonds to the city. The old bonds are still drawing interest, just as if the city had not taken advantage of the five years' option to take them up. The old bonds drew interest at the rate of 6 per cent, while the new ones only 4 1/2 per cent, which, even for a few days, makes a material difference in the obligations of the city.

The interest coupons on the old bonds, however, are all paid up, so there is no danger of compound interest being charged against the city. The session laws, containing the new charter, will not be ready until the first of August and this is why the city has been so anxious to secure a special certification of the charter independent of the balance of the laws passed at the late session of the legislature.

Last Day of Specials.

The twenty special police who were appointed to work during the time the street fair was in progress will be let out either tonight or Monday and the old force will go to look after the town's safety alone. The police department says it could have handled the fair without any trouble, but that more excitement and a much larger crowd than has appeared was anticipated when the specials were appointed.

Two Saloons Are Complained Of.

Charles Akofor, who runs a saloon at 624 North Twenty-fourth street, and James Crowley, a saloon keeper at Twenty-fourth and N streets, were yesterday in the police court, charged with having violated the state saloon law. The complaints were filed by Charles H. Long and L. P. DeLong.

It was said yesterday that the arrests are the result of the refusal of the saloon men to pay the promised donations to the street fair and that the association is back of the arrests. They were fined in the police court by the attorney for the fair association and it seems the general impression that they are made for the sole purpose of causing these two saloons to pay and to establish a precedent with the others just what will happen if they do not stick to their promise.

Fair Draws to a Close.

If there was a disposition on the part of any great number of people to visit South Omaha yesterday the extreme heat kept them away. Whatever may have been the reason, during the afternoon the usual South Omaha fair crowd did not appear, while in the evening no many showed up on the streets. During the day the Midway was entirely deserted. The high fives kept out what little breeze was blowing, while the sun, beating down upon the paved streets, made it more like a furnace than a pleasant resort. The bull fight was held in the evening, but contrary to expectations, only a few people appeared. About the same kind of an exhibition as had been given took place. Today the fair will close. Many of the booths are already preparing for the exit of out-of-town people and are making plans for the tearing down of their exhibits. The last bull fight of the carnival will take place at 7 o'clock tonight.

Aeronaut Boyd Injured.

Aeronaut Roy Boyd, while attempting to make a balloon ascension from the corner of Twenty-fifth and O streets last night, was caught in the ropes and before he could extricate himself the balloon had risen fifteen or twenty feet. Boyd then fell to the ground, striking on the back of the head, which rendered him unconscious. No one seems to know how the accident occurred. Boyd has made several successful attempts with his balloon and quite a crowd had congregated to watch the exhibition. After the accident he was taken to his room and physicians were summoned, who said that they did not think the man had sustained any serious injuries, but that he would be laid up for some time.

Magie City Gossip.

Mrs. O. E. Elow is visiting friends in Nodaway county, Missouri. Miss Jennie Little and her mother have moved to College Springs, Ia. Mrs. M. Carl Smith entertained the Intermediate Endeavor society last evening. Mrs. Margella Smith leaves for work for Pennsylvania, where she will visit relatives. Mrs. Lucy Shriver has returned from Beverly, Kan., where she was called by the death of her father. Rev. Dr. Wheeler of the First Presbyterian church has been granted a two months leave of absence. There will be a regular meeting of Phil Kearney post, Grand Army of the Republic, and Woman's Relief corps tonight. A permit was yesterday granted to Swift and Company for the erection of a one-story building, 40x100 feet, to be used exclusively for their poultry business. The case of the State of Nebraska against Ed Newman, charged with a conspiracy to defraud, was argued last Wednesday. Newman is charged with having made an assault against Chris Markeson, driving the bolts in.

Joseph Burdick's Neck a Wreck and He Will Have to Use Mute's Signals.

CHICAGO, July 13.—Although his head is almost torn from the body, Joseph Burdick is still alive, furnishing, it is said, one of the most remarkable cases known to physicians. Burdick's head was all but taken off by a huge piece of metal which fell across his neck, the overruling of a flat car yesterday. The trachea and larynx were completely torn away and the unfortunate man was taken to a hospital presumably to die.

THEY THANK MRS. TILDEN

Members of Young Women's Christian Association Make a Novel Call.

Dwellers in the vicinity of Nineteenth and Douglas streets were doubtless surprised last evening by a crowd of something like 200 young women invaded the neighborhood, marching in groups and pairs and singing as they went a refrain that ran something like this:

Zig-zag, zig-zag, zig-zag, zig-zag! Y W W W. W. C. A. I. Peanut, popcorn, lemonade. That's the way our money's made. That's no joke, that's no bluff. We made the money and that's the stuff.

It developed that the singing crowd was composed of the members of the Young Women's Christian association and the patrons of their lunch rooms who had assembled to express in this manner their appreciation of the kindly services of Mrs. George W. Tilden prior to her departure for an extended trip in the east next Tuesday.

Their song related to the profits made by the association in serving refreshments at the Bellard concert, the burden of the burden of that work having fallen upon Mrs. Tilden.

Mrs. Tilden's appearance upon the lawn at her home was greeted with a cheer and Miss Katharine Morrison stepped forward and presented her a bunch of American Beauty roses in which was concealed a silver berry spoon appropriately inscribed. After lingering half an hour seated upon the lawn the impromptu guests sang "God Be With You Till We Meet Again" and departed.

Swimmers Drive Too Fast. A. H. Stevens and Gus Horn took two wagonloads of boys to Cut-off lake for a swim last night and in returning they drove down Sherman avenue at a faster speed than the laws allow.
