

CAMP OF NEBRASKA GUARD

State Military Authorities Still Undecided About Location.

RED DEER LAKE IS THE IDEAL SPOT

Owner Refuses to Let Soldier Boys Use It—Encampment Will Last Ten Days in September.

(From a Staff Correspondent.)

LINCOLN, July 22.—(Special.)—The state military authorities are still undecided as to the location for the next encampment of the Nebraska National Guard.

The place that pleased us most in Cherry county was Red Deer lake, said General Colby, "but the owner refused to let us use it for the encampment. It is an ideal spot, but of course is now out of the question. We could have it in the fall, but that would interfere with our plans for an early encampment. We visited quite a number of lakes in Cherry county, among them Great Alkali, Dewey, Wood and Hackberry, but none of them suited us as well as the Red Deer lake.

IOWA BOY MAKES BAD JUMP

Leaps from Moving Train at Plattsmouth and is Severely Injured.

PLATTSMOUTH, Neb., July 22.—(Special.)—Burl, the 14-year-old son of C. H. Biggs of Hamburg, Ia., jumped from a rapidly moving freight train on the Burlington near the pump house of the water works on Saturday night. He fell on his head, sustaining an ugly scalp wound, the gash being four inches long, extending from the forehead back. He remained in an unconscious condition all night in a ditch beside the track. He rallied about 5 o'clock in the morning and, although very weak from loss of blood, he managed to reach the office of a physician, who took nine stitches to close the wound.

NEBRASKANS DAY OF PRAYER

(Continued from First Page.)

in the employ of Frank Gustman was overpowered by the heat and died almost instantly.

DAVID CITY, Neb., July 22.—(Special.)—The excessive hot, dry weather continues, the mercury registering above the 100 mark every day. Yesterday was the hottest day being held without a trial at the next term of the district court. Marshall maintained silence during the brief proceeding in police court.

The only member of the family present was John Marshall, a brother of the murderer. Between the two was not a particle of resemblance. Both were tall, but while John was well dressed and intelligent looking his brother has every appearance of a degenerate. His head is broad across the top, but narrows rapidly to a peaked chin.

At the time of entering the plea Attorney Greene also waived preliminary examination for his client. Nevertheless the county attorney wanted one witness and so Chief of Police Hoagland was sworn. He told of the adventures of the eventful night as they have been so often recounted before, of the confession of the murderer to the killing, as he supposed at that time, of both girls because he thought they were going wrong and refused to heed his advice and of the conditions as they existed. The prisoner displayed no interest all through the evidence.

The total revenue was offered in evidence. It still contained the five empty shells. Attorney Greene neither took the time to cross examine nor to object.

DEPUTY GAME WARDENS

Governor Savage today appointed the following deputy game wardens to serve without compensation:

Grant E. Peterson of Ponca, for Dixon county.

Otto F. L. Herze of West Point, for Cumming county.

S. F. Woodward of Boelus, for Howard county.

BYRON WATER COMPANY

The Byron Water company of Byron, Thayer county, has been organized with a capital stock of \$500 by C. W. Gulle, E. T. Riley, H. Schroeder, W. D. Fisher and F. W. Brown. The company proposes to pump water for general use by the citizens of Byron.

Figures compiled by the State Bureau of Labor and Industrial Statistics show that Nebraska counties exported 930,540 bushels of rye during the year 1900. Nebraska county leads all other counties in the production of this cereal, being credited with the shipment of 112,000 bushels.

If a woman is physically miserable and mentally unhappy, she should use Dr. Pierce's Pink Pills for Pale People, as well as in disposition, reflect her own condition. Every woman who anticipates motherhood ought to think of this and be a fair godmother to her own child, endowing it with health, beauty, and a happy disposition.

The mental misery of the prospective mother is in general the result of her physical condition. She is nervous, her appetite fails, she becomes a new woman.

"It has made a new woman of me," is the constant testimony of those who have used Dr. Pierce's Favorite Prescription. It tranquilizes the nerves, encourages the appetite, and induces refreshing sleep. It establishes regularity, dries weakening humors, cures inflammation and ulceration and cures female weakness.

"During the first month when I looked forward to maternity, I could not keep anything on my stomach," writes Mrs. H. C. Anderson of South Britain, New Haven, Conn. "I never had a week that I was not on the sick bed, and never got up till the first of August. I tried different doctors, but with little benefit. I read about many being helped by using your medicine, and I bought a bottle of it. I never had a day's sickness since. I have had a nice little baby girl in February following. My baby weighed over eight pounds. I was only ill for about one hour, and got along nicely during confinement. With the Dr. Pierce's Pink Pills I was very short time. This makes my second child, and the Dr. Pierce's Pink Pills were the very best I ever used. My baby is now two months old, and she was sick all the time. This little baby is so plump and healthy as any mother could wish."

Dr. Pierce's Pink Pills cure constipation.

HARD DAY ON THE PITCHERS

Four of Them Got Worked Out in Chicago—St. Louis Game.

MISSOURI CROWD FINALLY TOUCHES UP THE ORPHANS FOR ITS SIXTH RUN, WHICH IS ALL THAT'S NECESSARY.

ST. LOUIS, July 22.—Chicago Nationals piled up five runs on Jack Powell and the latter finally retired in a dazed condition from the heat. Sudhoff held the visitors down while Hughes was driven to the bench with the score tied in the sixth. Wallace's triple off Waddell, won the game in the eighth. Attendance, 1,200. Score:

CONSTITUTION WINS AGAIN

Beats Columbia for Commodore's Cup at Long Island.

OLD AMERICA LENDS ITS PRESENCE

New York Yacht Club's Cruise Made Doubly Notable by Participation of the Yacht that Originally Captured International Cup.

NEW YORK, July 22.—The race between Constitution and Columbia on Long Island Sound today again demonstrated that Constitution is the faster fair weather craft. In a light breeze and smooth water, over a twenty-one-mile course, Columbia was defeated, four minutes eighteen seconds, elapsed time.

The cruise of the New York Yacht club opened brilliantly today with the race for the valuable cups presented by Commodore Ledward. After the rendezvous at Glen Cove the squadron got under way and steered for the starting line off Matinecock Point buoy, where the steam yacht Revere, with the regatta committee aboard, let go anchor. The whole fleet was eligible to compete and was divided into three classes, schooners, single-masted vessels and yachts in cruising trim, and the two cup defenders, Constitution and Columbia, in racing trim.

Naturally, the principal interest was focused on these two splendid craft, which came to the encounter in thoroughly fit condition. Starting in a nice sailing breeze, which, however, at no time exceeded a seven-knot strength, Constitution beat its rival. Columbia, the smartly handled and sailed with rare skill and judgment, four minutes eighteen seconds over a twenty-one-mile course.

The first leg was eleven miles northeast by east, one-half east, dead before the wind, the second leg being a beat to windward of five miles, west, southeast, one-half west, and the third leg a stretch with the wind forward of the starboard beam to the finish line, one mile west from Eaton's Point light. The water was smooth and the wind fairly steady from start to finish.

Case of Last Shall Be First. Constitution started absolutely last of all the competitors. It overhauled the hindmost rapidly and several minutes before the outward mark was reached it held a proud position in the van, beating Columbia four minutes and seven seconds. Luffing beautifully round the mark, it buckled down to a pretty thurst to windward and in this short leg it gained fifty-six seconds on its rival. In the last leg it gained six seconds and romped past the stake boat a winner by the commodore's cup.

The extension of the hoist of Constitution will necessitate a remeasurement of the yacht for time allowance. Roughly estimated, Constitution should allow Columbia fifty-one seconds over a twenty-one-mile course; so, on corrected time, Constitution is a winner by three minutes twenty-seven seconds. It should be borne in mind also that in the run before the wind Columbia was favored with a freshening breeze, which helped it to materially lessen the gap, once nearly a mile wide, which separated it from its antagonist. Had it not been for this the victory of Constitution would have been far more decisive and convincing.

A pleasing incident in the contest was the appearance of the celebrated old schooner America, which more than half a century ago won the historic cup which Shamrock II will race this year. Another former cup defender, the schooner Columbia, which sailed several successful races against Mr. Ashbury's schooners Cambria and Livonia, when they came here in 1870 and 1871, also started.

KANSAS PEOPLE COLLAPSE Fort Leavenworth So Hot that Army Officers Are Overcome at Their Post.

LEAVENWORTH, Kas., July 22.—At Fort Leavenworth today the weather bureau thermometer registered 108 degrees as against 104 on Sunday. Captain R. H. Allen, post adjutant, was prostrated by the heat while at his desk this afternoon and was taken to his home. Five other prostrations were reported.

SYLVAN GROVE, Kas., July 22.—The heat here yesterday was the most terrific of the season. The thermometer registered and maintained 111 from 10 until 4 o'clock. This morning at 8 o'clock it registered 102. The drought continues with no sign of a break.

TOPEKA, Kas., July 22.—Three deaths and ten prostrations form the record of today's heat in Topeka. The thermometer registered 106 as its maximum. It has been three degrees higher during the heated season, but the humid air made today the most oppressive of the year. Most active work was stopped for the day. The Kansas river is low, but the supply of water in the city mains is plentiful.

From numerous places in Kansas come reports tonight of intense heat and much resulting damage. Slight showers fell this evening in the region about Pottawatomie county and some in Greenwood county. Lyon county had a good rain. The larger part of the state, however, is still parched by the terrible heat. Like breaths from a furnace the hot air swept across the Kansas farms today, more completely blighting the sweet corn and other suffering vegetation. In some parts of the state the temperature was as high as 109, with considerable humidity.

The most hopeful estimate of the probable corn yield has fallen from half a crop to a quarter of a crop. Many counties report a total loss.

Cattle Thieves Confess. BASSETT, Neb., July 22.—(Special Telegram.)—Brewer Hellyer and Joseph Bingham, recently arrested in Keya Paha county on the charge of cattle-stealing, today confessed to the county attorney and have requested that the district judge be sent for so they may plead guilty and begin serving their anticipated sentences. It is reported that other arrests are to be made in Keya Paha county in a few days.

RANCHMEN ARE TERRORIZED

Inquest Over Murdered Boy Brings Out Some Disagreeable Disclosures.

CHEYENNE, WYO., JULY 22.—(Special Telegram.)

The inquest over the murder of William Nickels, son of the iron mountain ranchman, who was assassinated Thursday, took place today. The father of the murdered boy and while on the witness stand declared that Victor Miller, a neighbor's boy, killed his son. The testimony of other witnesses brought out the fact that a man who has been suspected of a number of murders committed in this county and in the Brown's park country, near the Colorado-Utah-Wyoming line, was seen near the Nickels' ranch the day before the killing and the belief is general that this man is the assassin.

A reign of terror exists in the iron mountain country and ranchmen knowing that this man is in the country fear for their lives. The authorities are investigating thoroughly and hope the murderer will be made soon.

At the funeral of the murdered boy, yesterday Kels Nickels, the father, knelt at the grave and swore to heaven that he would avenge the murder of his son.

POWDER MAN UP WITH BLAST James Smith Omits to Close Key and Spark Accept the Opening.

CHEYENNE, Wyo., July 22.—(Special Telegram.)—James Smith, powder man at the Sherman Hill gravel pits on the Union Pacific, was blown up by an explosion of powder today. Smith fired a blast and forgot to close a keg of powder from which he had taken a charge. The powder was ignited by a spark from the fuse. Smith was brought to Cheyenne and will probably die.

MRS. NATION MUST SERVE TIME No Way to Avoid Sentence of Hundred-Dollar Fine and Thirty Days' Imprisonment.

TOPEKA, Kan., July 22.—Mrs. Carrie Nation was today fined \$100 and given thirty days' jail sentence by Judge Hazen in the district court for disturbing the peace and dignity of the city by a Sunday joint raid last March. There is no appeal and Mrs. Nation must serve her time in prison.

DEATH RECORD. N. P. Nelson of Hooper.

HOOPER, Neb., July 22.—(Special.)—Hon. N. P. Nelson, ex-representative and ex-treasurer of Dodge county, died at his home in Hooper, Neb., at 12:30 this morning. He had been suffering from consumption several years. He leaves a wife, four sons and three daughters. Mr. Nelson made a trip to Denver a few months ago in the hope of benefiting his health, but returned unimproved, and had been falling rapidly ever since. He lived at his present home thirty-two years. The funeral will be from the Swedish Lutheran church, near his home, Tuesday afternoon at 2 o'clock. Nelson was president of the First National bank of Hooper.

A JUDGE'S WIFE

She Suffered for Years and Felt Her Case Was Hopeless—Cured by Pelvic Catarrh

PELVIC CATARRH

Mrs. Judge McAllister, writes from 1217 West 33rd St., Minneapolis, Minn., as follows: "I suffered for years with a pain in the small of my back and right side. It interfered often with my domestic and social duties and I never supposed that I would be cured, as the doctor's medicine did not seem to help me any."

"Fortunately a member of our Order advised me to try Pelvic Catarrh and I felt so high praise that I decided to try it. Although I started in with little faith, I felt so much better in a week that I felt encouraged."

"I took it faithfully for seven weeks and am happy indeed to be able to say that I am entirely cured. Words fail to express my gratitude. Perfect health once more is the best thing I could wish for, and thanks to Pelvic Catarrh I enjoy that now."

The great popularity of Pelvic Catarrh as a catarrh remedy has tempted many people to imitate Pelvic Catarrh. A great many so-called catarrh remedies and catarrh tonics are to be found in many drug stores. These remedies can be procured by the druggist much cheaper than Pelvic Catarrh. Pelvic Catarrh can only be obtained at a uniform price, and no druggist can get it a cent cheaper.

Thus it is that druggists are tempted to substitute the cheap imitations of Pelvic Catarrh. It is done every day without a doubt.

We would therefore caution all people against accepting these substitutes. Insist upon having Pelvic Catarrh. There is no other internal remedy for catarrh that will take the place of Pelvic Catarrh. Allow no one to persuade you to the contrary.

If you do not derive prompt and satisfactory results from the use of Pelvic Catarrh, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
