The altercation is the result of a charge made by Mr. Lyman that Joseph Burns was connected with the sinking of the F street well. Mr. Burns retorts that Mr. Lyman ordered the well dug while he was water commissioner and the former sunk it according to directions. Therefore Mr. Burns insists that the water commissioner was fully as much to blame as the man he hired to do the work.

APPENDICITIS.

Some Pacts Regarding Its Rapid Increase. Appendicitis among Americans is certainly increas. ing and while this is probably due to the excitement and worry of American business life, it is more often directly traceable to constipation. Appendicitis is caused by extraneous matter entering the vermitorm appendix and not by the swallowing of seeds. If the digestive organs are kept in perfect condition so the food is duly assimulated and the howels move gently. at least once a day, appendicitis will never develop. Don't take chances. Regular doses of Dr. Caldwell's Syrup Pepsin before meals will strengthen the organs direction, your appetite will be good, constipation lisappears and you feel better in every way. Dr. Caldwell's Syrup Pepsin does not relax the bowels by irritation but by curing indigestion, the cause of constipation. Your druggist sells it.
