Price Current's Anneuncement on Corn Crep Estimate Gives Bullish Impetus.

ADVICES FROM COUNTRY CAUSE NO CHECK

Wheat Opens Strong, but Later Disappointments Cause Weak Close-Onts Handled on Sarrow Local Market.

CHICAGO, Aug. 8.—Wheat started today strong, but weakened later on disappointing exports and closed easy by under yesterday. Corn closed by any by under yesterday. Corn closed by any do anto be higher for September delivery. Provisions closed by lower to be higher. September wheat was soid freely at the beginning of the session because yesterday's frost scare proved to have been practically unfounded and because the pool cubies were easy. September opened by by lower at 11611by. The corn strength started a buying movement of fair proportions and during the first hour the market ascended to Disc. The fact that only eight loads were taken for foreign shipments, lighter scaboard clearances and optimistic crop reports from the spring wheat country later combined to create bearishness and September in consequence declined to 70½c and closed easy, 122 we under yesterday at 70½c. Seaboard clearances were 80,000 bushels, while primary receipts aggregated 85,000 bushels, compared with 81,000 bushels last year. Minneapolis and Duluth reported 181 cars, against 150 last week and 223 a year ago.

Local receipts were 256 cars, 49 of contract grade.

NEW YORK, Aug. 8.—COFFEE—The market for coffee futures opened steady in tone at an advance of 56/10 points on foreign and total buying following strong European advices. Throughout the session bullish aggressiveness was manifested and values were well sustained. Brazilian news was also of bullish average. Receipts did not come up to expectations, although they are now running away ahead of last year's figures. Buying by the "metal clique" and "switching" the near months for the more remote positions were the chief features of operations. Trading was fairly active throughout, the market finally closing steady at a net advance of 56/10 points. Total sales amounted to 33,756 bags, including: September, 4.55c; November, 5.656/5.10c; December, 5.154/5.20c; February, 5.30c; March, 5.40c; May, 5.50c; July, 5.60/25.55c. Spot. CATTLE—There was a fair run of cattle here today and a good proportion of the re-ceipts was made up of western cattle. The demand for the better grades of beef was in good shape and just about steady prices

grades were soon disposed of.

There was a good demand for the better grades were soon disposed of.

There was a good demand for the better grades of cows and helfers this morning and just about steady prices were paid. The common stuff, such as canners, also sold for practically the same prices they did yesterday, but the medium grades were neglected and in a good many cases sold about a dime lower. Sellers found that class of stock hard to dispose of, as buyers did not seem particularly anxious for it.

Bulls, calves and stags all sold in about the same notches they did yesterday.

Not many stockers and feeders were offered today and the yearlings of good quality being in fairly good demand sold steady to strong, but the 2-year-olds were a little slow and in some cases weak, probably owing to the fact that it is getting toward the end of the week. Representative sales:

ROBS MOTHER FOR LOVER

Sixteen-Year-Old Girl in Kansas City Confesses Taking Widow's Pension Money.

KANSAS CITY, Aug. 8.—Daisy W. Heeler, 16 years old, today in police court confessed to stealing \$1,200 from her mother, Mrs. Mary Wheeler, widow of a civil war veteran. It was pension money and had been placed in a bureau drawer by Mrs. Wheeler because she feared to deposit it in the bank. The girl confessed to stealing the money on July 4 and to having given it to her sweetheart, Walter Cavanaugh, with whom she cloped to Chicago. The couple were arrested in that city and brought back for trial. The girl today took the stand against Cavanaugh, declaring that he had compelled her to steal the money and run away with him, threatening her with death if she refused. They were both held to the grand jury.
