Desperadoes Flag Train and Blow It Up, but the Heat Treated is on the Flyer, Due Later.

FORT WORTH, Tex., Aug. 13.—The

southbound Missouri, Kansas & Texas

train No. 3, due here at 8:30 a. m., was

robbed at Caney switch, Indian Territory,

early this morning by five masked

robbers. The express car was blown open,

the safe wrecked and the mailbags rifled.

All the passengers were robbed of their

money.

United States marshals have arrested

seven men in Caney bottoms, charged with

the robbery. One of the men is a Mis-

souri, the Kansas & Texas section hand

and the others are young men of the neigh-

borhood. Part of the plunder has been re-

covered.

Caney, the place where the Missouri,

Kansas & Texas train robbery occurred

early this morning, is a straggling thir-

ty-mile north of Denison. It is in the

Choctaw nation of the Indian Territory

and the population surrounding the sta-

tion is only 125. The train does not stop

at Caney, except on signal, and the proper

signal was given. The engineer whistled

his reply to the signal given and the train

slowed down for the stop.

Instead of the hurried signal to go

ahead the engineer and firemen were con-

fronted by two men with faces veiled with

black netting. About the same time the

express messenger and the mail clerk

were communicated with through the closed

doors of their car. Three of the robbers

shot wildly and then the call went to mes-

GUDGER REPORTS LATE RAID

United States Consul General at Panama

Writes of Revolu-

tionists' Coup.

WASHINGTON, Aug. 13.—Consul General

Gudger, writing to the State department

from Panama under date of July 29, reports

that July 29, a party of twenty-five

revolutionists entered Panama by the

Bohio and San Pablo, on the Panama

road, midway between Panama

and Colon, made prisoners of the alcalde

and several policemen and retired to the

mountain, asking from what arms

and provisions they could find. He re-

ports were current of revolutionary gather-

ings at other points and an attack on

Panama was feared. A general uprising

seemed imminent and the government was

becoming alarmed at the situation.

Mr. Herrera, the Colombian charge

d'affaires, received a telegram today from

the consul general for Colombia at New

York, stating that the latter had received

a cablegram from the governor general of

Panama, saying the guerrilla bands there-

abouts are causing no uneasiness, the

governor, according to recent advices, has

gone to Cartagena for soldiers and sup-

plies.

Other than this Mr. Herrera's official mail

from Colombia, which reached him today,

have no information on the situation.

Officials Have to Guess.

In the absence of official advice the only

construction which the Colombian legation

can place upon the reported withdrawal

of the Colombian minister, Senator Hino,

and his legation staff from Caracas is that,

having found his position in the Venezuelan

capital unendurable, perhaps threatened,

he has left the capital for some point

where he can better co-operate with the

officials than through the medium of tele-

graphic or mail correspondence.

Mr. Pulido, the Venezuelan charge, ar-

rived in Washington last night from his

summer resort, but, he, too, states that he

has received absolutely no advice from his

government. Both of these officials feel

sure that unless there is an interruption

of the Colombian minister, the legation

there would be immediately advised if the

situation had assumed the aspect of actual

war between the two countries.

The State department received no tele-

graphic reports from either country today

SCHLEY HIMSELF MUST TELL

Navy Department Declines to Give Names

of His Witnesses.

HACKETT SAYS ALL HE INTENDS TO

Issues Statement Reporting the Ar-

rangements Already Made and De-

claring that Hereafter He Will

Answer No Inquiries.

WASHINGTON, Aug. 13.—Acting Sec-

retary Hackett of the Navy department

today issued a statement in regard to the

witnesses to be summoned before the Schley

court of inquiry.

There have been numerous inquiries by

the general press as to who are to be

witnesses before the Schley court of in-

quiry. I recognize the intense public in-

terest that attends the convening of this

court. I also take into account and respect

the professional zeal of the press and the

genuine desire of each gentleman to ob-

tain early and full information for his par-

ticular newspaper.

"It has been found necessary, however,

to say something to put an end to daily in-

quiries on the subject. This is done with

no purpose or desire to keep anything from

the public.

The court will convene on the 27th of

September. What witnesses will be brought

before the court in behalf of Admiral Schley

is for the admiral himself to say. No one

can possibly know what witnesses the court

is going to summon before it.

Asks Schley for Names.

"The judge advocate of the court on the

27th of July addressed a letter to Admiral

Schley requesting the admiral to communi-

cate with him in regard to the witnesses,

if any of them were located at a distance

from Washington, whom he might wish to

have appear before the court. This was

done because it was taken for granted that

most of them were in the vicinity of the

capital and he would have a right to call

others as witnesses and also informed that

some of the persons named by him might

possibly be called by the judge advocate.

"The whole thing is in the preliminary

stage, but the department will see to it

that the witnesses of the navy will be called

with the facts can be reached in season to

attend as witnesses if needed."

Beyond this statement Mr. Hackett de-

clined to answer specific questions as to

particular witnesses, especially as to whether

Admiral Schley would be called as a wit-

LAWTON AGGREGATE HIGH

Receipts from Sale of Town Lots Will

Exceed Five Hundred Thou-

sand Dollars.

LAWTON, Okl., Aug. 13.—The indica-

tions today were that the receipts from the

sale of town lots will exceed \$500,000 in

Lawton. This is more than twice the estimate of the most

optimistic boomers of the reservation. One

twenty-five foot lot here today sold for

\$130 a front foot and the average during

the day was about \$55 a front foot.

Two wholesale grocery companies will be

begin the erection of buildings tomorrow.

Two private banks were established today,

making a total of four for the town.

The entry for claims still being made

by winners in the land lottery. Entry men

are no longer willing to file on poor land

just because it is near Lawton and are se-

lecting some of the rich farming land in

the Red river country, near the Texas line

and near Marlow and Duncan within a few

miles of the Chickasaw border. The filing

is proceeding smoothly both here and at the

land office at Muskogee.

The land office officials here will not at-

tempt to settle the complications that are

expected to grow out of the mineral ex-

citement, although it is generally conceded

that the wholesale filing of mineral claims

is a mere subterfuge that will not stand

the test of a suit brought by the officials

in Washington.

BUFFALO, Aug. 13.—The final of the

quarter-mile circuit championship pro-

fessional, won by Iver Lawson, a local man,

was held here today. Lawson, who was

driven by Henshaw and Hodstrom of Spring-

field, Mass., were the features of today's grand

circuit races of the National Cycling asso-

ciation in the Pan-American stadium. The

weather was fine and warm and 15,000

people watched the sport. Lawson defeated

Kramer, the circuit leader, in the first

grand semi-final in a hot finish and Taylor

disposed of Freeman in their grand

semi-final in easy style, winning the heat

by two lengths. Taylor held the rail in

the final heat and he forced Lawson to

take the lead. They went to the eighth

at a snail's pace. Lawson began to lurch

as they rounded the lower turn with Tay-

HANS HELD FOR CONSPIRACY

Justice Hyde of Logan Requires Pail of

Three Hundred Dollars.

DANIELS' CASE GOES TO GRAND JURY

Testimony of Various Witnesses In-

volves These Two and Latta in an

Alleged Put-Up Job of Rail-

road Robbery.

LOGAN, Ia., Aug. 13.—(Special Tele-

gram.)—Detective Fred Hans, arrested on

charge of conspiracy in the Latta rob-

bery, was today admitted to bail before

Justice Hyde in the sum of \$300 and the

preliminary hearing was set for August

20.

Latta's admission on the witness stand

was the same as his written confession

already printed in The Bee. The mother

of Latta testified that Latta and Daniels

went to Blair July 5. Frank Meyers, con-

ductor, testified that Daniels and Latta

rode on the train from Omaha to Blair

and that they exhibited a pass signed by

Hans. The pass was shown to the wit-

ness and identified. C. K. Turner, brake-

man on the same train, identified Daniels

as riding on the train to Blair July 5.

Amelia Brown, mother-in-law of Daniels,

testified that Daniels stopped at her home

in Blair July 5 and had a friend with

him who slept outdoors. She swore that

Daniels told her that Hans had hired him

to get Latta into trouble.

Daniels and Latta Identified.

H. A. Wentworth, bridge foreman at

Blair, identified Daniels as crossing with

a man to Iowa over the railroad bridge

July 4. He recognized the bridge watch-

man, identified Daniels and Latta as hav-

ing crossed the Blair bridge to the Iowa

side the morning of July 6. Burrell King

identified Daniels and Latta as being

taken dinner at his home on the Iowa

side of the bridge July 6. He said they then

went fishing. Charles Dowd, section

foreman on the Iowa side, saw Daniels and

Latta fishing July 6 on the east side of

the bridge. Charles Haynes, night watch-

man at the Blair bridge, testified he saw

and recognized Daniels the night of July

6 about eleven feet west of the Blair

bridge. He asked him where he came from

and he said from the Iowa side. He

asked him if he heard shooting and he

said he heard something, but did not

know who it was.
