HALL COUNTY SEEKS COURTHOUSE PLANS

Fund for Camp of Foot Ball Team Makes Stendy Gains-General News of the

State.

(From a Staff Correspondent.) LINCOLN, Aug. 21.-(Special.)-Land Commissioner Follmer will begin a land leasing tour in southern Nebraska the middle of September. He will start in Webster county and go west through the counties of Franklin, Harlan, Furnas, Red Willow, Hitchcock, Dundy and then east through the counties of Chase, Hayes, Frontier, Gosper, Phelps, Kearney and Adams The Board of Education Lands and Funds will meet September 3 to declare forfeitures and the auctions will be held after the land has been properly advertised.

Hall County Courthouse.

A delegation of Hall county officials was in Lincoln today on business connected with the construction of the new courthouse for that county. The proposed building will cost not less than \$100,000. The county officials will visit several of the courthouses in the state before deciding upon plans and specifications, their idea being to have the new building constructed after the most improved style possible.

Somebody thought last night that the Commoner office of W. J. Bryan, 324 South Twelfth street, was in danger of extinction by fire and called the department. It was only a bundle of papers which had been set afire in the furnace. The smoke from them excited a passerby.

Camping Funds for Foot Ball Team.

Subscriptions to the fund to pay the expense of the projected camping trip of the Nebraska foot ball team are rolling in at a satisfactory rate. Captain Westover yesterday began making the rounds of business men, university alumni and gridiron enthusfasts and the contributions were liberal enough to warrant him last night in asserting that the team would certainly take the trip. The sum needed for the camping expedition is about \$150 and this has practically all been pledged. The captain, however, will not cease his efforts when the \$150 is subscribed, but will continue to go the rounds next week raising funds to aid in maintaining a training table in the real sense during the entire foot ball season. Coach Booth, who had four years' strenuous experinece on the famous Princeton eleven. a champion organization twice during that period, is a strong advocate of the training table idea. He asserts by no other method can the players be put in good physical trim and kept at that notch.

Coach Booth is still in the east rusticating, but he has been notified that the camping trip is assured and to be on hand to accompany the players when they leave September 2 for their three weeks' outing. Captain Westover and Dr. Harry Everett will leave possibly Thursday to pick out a desirable training spot on the Platte river. which will be near the state fisheries at South Bend.

Republicans' New President.

The Young Men's Republican club tonight indorsed the nominees of the Lancaster county republican convention and prepared a resolution urging every member in the club to active work in the campaign. Vice President Walter G. Roberts was installed as president to succeed President Paul Hunger, who died two weeks ago, Wallace Crandall was elected secretary to succeed G. E. Harris, resigned.

Oakey Hall Found Innocent.

Oakey Hall was discharged today at the preliminary hearing before Judge Comstock on the charge of administering cocaine to Charles Russell, the Union Pacific railroad fireman from Omaha who died here last week from the effect of that drug. The coroner's jury returned a verdict which found that the cocaine was administered partly by Russell himself and partly by After listening to all the evidence in the preliminary hearing Judge Comstock decided that Hall was innocent.

SALOON MEN IN THE MAJORITY

Member of Humboldt Council Resigns. Breaking Tie on Liquor

Question.

HUMBOLDT, Neb., Aug. 21 .- (Special.)-The council last night accepted the resignation of Colonel E. Fraker as councilman from the First ward, and George Harral was appointed by Mayor Walsby. Fraker has been the leader of the temperance forces for years and his resignation again brings up the license question, which has been quiet since the outgoing council repealed the license ordinance in April. It could not be repassed, as the new council stood two and two on the question, and the mayor had no vote.

Fraker's resignation leaves the license party with a three-fourths majority in the council. One of their first acts last night was to re-enact the license ordinance. It is supposed that the applicants for license will file their petitions at once, and another effort be made to open saloons in the city. Colonel Fraker has been in business here for many years, and was serving his second term as councilman when he decided to dispose of all his property and locate in Oklahoma. The temperance people are considerably disappointed because he leaves at

KILLED BY A FALLING WALL Ira F. Gilbert Lies Down at End Brick Kiln and is

Burled.

CALHOUN, Neb., Aug. 21 .- (Special.) -Some time last night Ira F. Gilbert was garden. A miner's hammer and a pail instantly killed by the end of a brick kiln falling on him. He had just started to burn the kiln. The man who helps him burn was with him until 9 o'clock and

helped him start the fires. When he went up this morning to re lieve Gilbert he noticed the end had caved in, but thought Gilbert had gone to breakfast until notified differently, and then at once surmised that he had laid down at the end of the kiln and gone to sleep and it had fallen on him. An alarm was given, and by the aid of a large number he was soon taken out, but he was dead.

Gilbert was prominent in the Masonic lodge of this place.

CONDUCTOR INJURED IN WRECK Frank Wheeler Hurt at Humboldt is Freight Smashup Caused by Train Parting.

HUMBOLDT, Neb., Aug. 21 .- (Special.)-Freight train No. 66, eastbound, was wrecked in the Humboldt yards early this morning and several cars were smashed. The train parted while nearing the station, unknown to the trainmen, and when the engineer slackened up the rear part crashed into the front section. One box car was demolished and others were considerably damaged. Conductor Frank Wheeler was at his desk writing and the shock threw him forward on his head. He was knocked unconscious and did not recover for nearly an hour. If no internal injuries exist, however, no serious results

JUDGE TRIPP IS CANDIDATE Announces that He Will Try for United States Senator to Suc-

ceed Kittredge.

YANKTON, S. D., Aug. 21.-(Special.)-The judgeship contest in the First circuit seems to be growing into a hard fight. For some time there has been suspicions that the interest of Hon. Bartlett Tripp in the judgeship was more intense than the candidacy of his relative, C. H. Dillon, would warrant and rumors of "wings" to the republican party in every county of the circuit, with newspaper "organs" to be chased and established by Tripp, added to the intensity of the situation.

All this has now been made clear by an interview given the Press and Dakotan by A. B. Wilcox, leader of the Dillon forces in Bon Homme county. In this Interview he announced the candidacy of part of a county ticket in this county for next year and the candidacy of Judge Bartlett Tripp for the United States senate. He said on this subject: "Yes, Tripp is a candidate for the United States senate to succeed Kittredge when he has filled out the unexpired term of Kyle and he is also a candidate for Senator Gamble's place at the end of that gentleman's term, provided he does not get the Kittredge place." is some doubt as to whether it was the desire of Tripp and Dillon to use these announcements at this time, but Wilcox has spoken and much has been made clearer to the masses by that speech.

Wyoming Crops. CHEYENNE, Wyo., Aug. 21 .- (Special.)-The weather for the week ending vesterday was nearly normal in temperature throughout the state. In a few of the agricultural sections light frosts occurred. but no damage to crops is reported. Showers have occurred over most sections and on the 16th heavy showers were general. The late rains have put the soil in good condition. Haying is now practically completed, but little still remaining to be cut. Over most of the state the crop has been good, but in a few sections the crop has fallen below the average. Hay is of good quality. The second crop of alfalfa has been cut over the earlier portions and harvesting is now in progress in other sections. Over the western portion of Big Horn county frosts delayed the maturing of the first crop, so the second crop will be unusually late and may possibly not mature before early fall frosts. In most sections the second crop is a good yield. Grain s maturing rapidly in the later portions of the state and in most of the earlier sections has been secured already. Unless frosts come unusually early this fall grain will mature in all sections. Late rains have been very beneficial to gardens and potatoes, which have made rapid advancement in the last three weeks. Ranges are in good condition and the late rains have stock and yard to Sloux City parties. prevented the pastures from drying up and burning. Winter feed is promising and in many portions it will be excellent. Stock is in good condition in all parts of the state.

From Omaha to Louisville.

From Omaha the members of the party will proceed direct to Louisville, being the first commandery to reach the city and the last to leave it, as the drill corps will give an exhibition in the auditorium at that place for the benefit of the Mascnic home. California commandery is probably the oldest commandery on the coast. It was pared with 420,000 the preceding week and originally organized in 1853 as San Francisco encampment No. 1, and assumed its present name upon the organization of the grand commandery of California in 1858.

The organization of the drill corps was perfected by the present captain, R. P. Hurlbut, in 1891. It has taken part in number of contests or exhibition drills and it was always highly commended for the perfectness of the movements. When the conclave was held in Denver, Colo., the corps was awarded a silver brick for its work and hospitality. During the recent visit to San Francisco of President McKinley the drill corps took an active part. The personnel of the corps is as follows: Captain, R. P. Huribut; senior warden, G. F. Neal; junior warden, W. H. F. Titus; corps. C. M. Plum, J. A. Marsh, O. F. Westphal. T. L. Henderson, J. Tonningsen, G. H. Umbsen, J. W. Likens, Max Claussenius, H. C. Porter, S. A. Clarke, A. A. Address Dr. Hartman, President of The

"I contracted a serious cold last summer which persisted in staying with me and nothing would drive it away until I took Peruna. In four days I felt much better, and at the end of a week all unpleasant symptoms had disappeared and I was well again. I am not in the habit of giving testimonials, but I make an exception in your case with much pleasure."-LOUIS F. CARDANI.

To catch a severe cold in the summer is often a much more grave affair than to catch cold in the winter. The depressing heat of summer is quite apt to cause the cold to settle in some internal organ. Summer colds have led to more cases of kidney disease, bladder disease, liver trouble than winter colds. The experience of Hon. Cardani, Alder-

man of New York City, is an illustration of these statements. He had a summer cold which persisted. Nothing would drive it away. In four days Peruna began the cure and in a week he was well again. What other medicine could have done this? Surely Peruna deserves the praise

It is a medicine that ought to be used in every family. If you do not derive prompt and satisfac-"I know of no medicine that I would tory results from the use of Peruna write rather recommend to the public or use in at once to Dr. Hartman, giving a full statemy own family than Peruna.
