

OMAHA WOODMEN ARE FIRST

Modern Camp Wins Prize in Competitive Drill at State Fair.

SOUTH OMAHA MEN RANK NEXT

Route Designated for Companies Needed for State Camp-Governor Savage Issues Regulations.

(From a Staff Correspondent.)

LINCOLN, Sept. 5.—(Special.)—From a financial point of view the success of the State fair has exceeded the expectations of the managers. Today the total paid attendance was officially reported as 19,456 about 2,000 greater than on the same day last year.

Modern woodmen camp No. 120 of Omaha won first place in the competitive drill of that order on the grounds this morning. The next lucky team was from South Omaha, No. 1,055. The official score was not completed this evening, but from the latest returns these two teams would easily lead. Eight teams were entered in the contest and five competed for the prize.

Secretary Furnas has ordered a general review of all the prize-winning live stock in the State fair grounds. Every animal that can be led or driven must appear in the parade. The line of march will be around the fair grounds and past the office of Secretary Furnas, where the display will be seen by the dignitaries of the state, the fair managers and the spectators.

Today the grounds were in much better condition owing to the slight rainfall last night. The dust was less annoying, but the huge, pushing, jamming crowd made sight-seeing tiresome in the extreme. About the middle of the afternoon the visitors began moving toward the city and abandoned the grounds.

Excursions from all parts of the state brought in the vast throng of visitors. By far the most traffic fell to the share of the Burlington officials, but all the officials were jubilant over the receipts.

At noon tomorrow the exhibitors will begin tearing down the booths and by night the State fair grounds will be practically deserted by all except the larger exhibitors.

It was Lincoln day at the fair today and in the afternoon most of the merchants allowed their clerical force a half holiday. The main events tomorrow will be the live stock review at 10:30 in the morning and the races in the afternoon. The speed program for the last day is said to be fully as good as the speed events already pulled off and many visitors are expected to witness the list of events.
