

Woods Digests what you Eat

Dyspepsia Cure

Some people wonder why pepsin preparations don't help their dyspepsia. They probably suffer because they can't digest foods that pepsin does not affect. The reason is, pepsin digests only nitrogenous foods, while different substances are required to digest the variety of other foods necessary for proper nourishment.

Kodol Dyspepsia Cure contains all the digestants, and is capable of completely digesting every kind of food. That is why it digests what you eat and allows you to eat all the variety you want; and that is why it cures indigestion, even after everything else has failed. As it is the only preparation of the kind known, the demand for it has become enormous. Its use affords instant relief from all forms of stomach trouble.

It can't help but do you good

Prepared by E. C. DeWitt & Co., Chicago. The 81 bottle contains 2 1/2 times the 50c. size.

When you suffer from biliousness or constipation, use the famous little liver pills known as **DeWitt's Little Early Risers**. They never gripe.

BETTER CARE FOR THE WEAK

Nebraska Improves Conditions for Its Feeble Minded Unfortunates.

STATE TREASURER STUEFER RETURNS

E. J. Roth's Case Goes Over to District Court—Father Refuses to Bury His Convict Son.

Charles Rhode Found Dead.

LINCOLN, Sept. 30.—(Special.)—The act of the last legislature, creating a State Board of Charities and Corrections, is beginning to bring forth desired results. The board was organized July 1 and since then an office has been kept open at the state house under the direction of Chief Clerk John Davis, who arranges the work of the four advisory secretaries and attends to all details in connection with his department. Various state institutions have been inspected and numerous recommendations looking to the betterment of conditions have been followed by the persons in charge.

Briefly stated, the act provides that the governor, commissioner of Public Lands and Buildings and superintendent of public instruction shall constitute the board and be authorized to appoint four advisory secretaries, none of whom shall receive any compensation for their services. The governor acts as chairman of the board and the secretaries, as their title indicates, in an advisory capacity, though they all take an active interest in the work. It is made the duty of the board to inquire into the whole system of public charities and the methods of and practices in the correctional institutions and to ascertain the conditions at various times by personal inspection. Plans for new jail buildings or other places of confinement must be submitted to the board for approval. It is provided that all investigations undertaken shall be directed wholly toward the betterment of methods pertaining to the health, punishment, education and reformation of the inmates of the various institutions.

"With the new Board of Charities and Corrections, and with the wide information and enlightened convictions of the present time," said W. A. Clark of Peru, one of the secretaries, "we look forward with heart to the realization of better conditions in all our state institutions. It is estimated that 1,200 epileptics are living in Nebraska outside of the state institution. About 60 per cent of the inmates of the Institute for Feeble Minded are epileptics, while more than 40 per cent of the Hospitals for Insane are epileptics. Some of us believe in the colony plan for these people and hope to make a movement toward providing something in that direction in the near future. We must confess that Nebraska has been behind most of the other states in the care of these classes. Some deplorable conditions have existed, at times, in the three state institutions for the care of the insane. Very little has been attempted in the way of medical treatment and very little also has been attempted in the way of classification of the inmates. These unfortunate ones have received almost nothing besides the food and shelter provided by the state. A regular routine of bromide treatment has been followed for years in the institutions caring for these classes."

Governor's Party Starts Envo.

Governor and Mrs. Savage, Miss Savage and nearly all members of the general military staff, with their wives, left this afternoon for Buffalo, to attend and participate in the Nebraska day ceremonies at the Pan-American exposition, on October 3. All officers of the staff were clad in the fatigues service dress. The party expects to return Monday.

Treasurer Stuefer Returns.

State Treasurer Stuefer returned today from a two weeks' trip east, including New York and Buffalo. He had intended staying at Buffalo to join the governor and his party, but important matters in his department and the meeting tomorrow of the State Board of Supplies made it necessary for him to return at this time.

Minor State Bank.

Secretary Roscoe of the State Banking

Board today issued a charter to the Minnarete State Bank of Minnarete, Scotts Bluff county. It is authorized for \$50,000 and the stock is held principally by J. W. Wehn and J. O. Baker.

Both Wives Examined.

Edward J. Roth, accused by his partner in the Lincoln cloak and suit company with the embezzlement of \$8,000 in money or property as an agent of the corporation, was today brought over to the district court. The defendant waived examination and his bond was immediately fixed at \$4,000. The instrument was signed by A. W. Lane, J. M. Stewart, R. L. Payne, Ports Wilson and Oliver C. Lusk. Mr. Roth was accompanied in court this morning by his wife, daughter and two sons.

Charles Rhode Found Dead.

Charles R. Rhode, a recluse, was found dead in the basement of his home near Kramer, yesterday afternoon. He was lying on his stomach, with his head hanging in a hole. The coroner's jury this morning found that he had started to climb into the hole and becoming exhausted, largely because of old age, fell and was unable to crawl back. The man lived alone in his farm house. He owned some property and had about \$3,000 deposited in a bank. He was 58 years old.

Won't Pay for Son's Funeral.

William Hanau of Stanton, father of Convict Hanau, who died at the penitentiary a few days ago, has said that he will not pay the expense of his son's funeral and unless some response is received immediately a telegram sent by the authorities the corpse will be given to some medical college.

Rate for Nebraska Game.

The announcement was made by the Rock Island railroad today that a rate of \$5 to Minneapolis and return would be made for the Minneapolis-Nebraska foot ball game, which will be played in that city October 12. The rate from Minneapolis to Lincoln and return last year was \$5.45. It is expected that other railroads will make similar rates.

University Law School.

The university law school formally opened this morning with a meeting of the junior class under Prof. Robbins. The attendance is slightly in excess of the corresponding day last year. Chancellor Andrews has made a new ruling. He holds that all law students may take ten hours work in the industrial academic courses without paying the incidental fee of \$2. This means recitations covering ten hours each week in the university without extra expense.

Lincoln Omits Street Fair.

Lincoln will not have a street fair this year. The matter was referred to a committee of the industrial club members and an adverse decision was rendered. This view was endorsed by a majority of the business men, although there was a strong popular sentiment in favor of an attraction of some sort during the fall months.

Criminal Docket Heavy.

District court opens next Monday. The number of law and equity cases is not very large, but the criminal docket is unusually heavy. Sixty-five cases, including persons bound over and appeals, comprise the labor that await County Attorney Caldwell and his deputy, Mr. Stevens.

Colonel Archer to Wed.

BEATRICE, Neb., Sept. 30.—(Special.)—Cards announce the marriage, October 7, of Colonel Harry L. Archer of Beatrice to Miss Bertha Dudley of Chicago at Oakland Methodist Episcopal church, of which the bride's father is pastor. After an eastern trip they will be at home at 429 North Seventh street, Beatrice.

Insane Man Goes to Hastings.

COLUMBIUS, Neb., Sept. 30.—(Special.)—Sheriff Byrnes took Frank Smith to the Home for Incurable Insane at Hastings today. Smith is 39 years old and says his home is at Hannibal, Mo. Since he came to Columbus a few weeks ago he has manifested a mania for frightening women and children.

Severed Artery Tied Again.

FRANKLIN, Neb., Sept. 30.—(Special.)—Chris Peterson, a young carpenter, while working on the Porter & Conklin brick building this morning, ran a sharp instrument into his arm, severing an artery. He was placed under chloroform while a doctor stopped the flow of blood.

WHITE RIBBONS A-FLUTTER

Nebraska Woman's Christian Temperance Union Meets in Omaha.

TWENTY-SEVENTH ANNUAL CONVENTION

Kountze Memorial Church, the Meeting Place, is Appropriately Decorated for the Occasion—Advantage Guard Gathers Early.

Several hundred wearers of the white ribbon will be seen upon the streets of Omaha today. The twenty-seventh annual convention of the Nebraska Woman's Christian Temperance union will begin tonight at 7:30 in Kountze Memorial church. Delegates from all parts of the state will attend.

Kountze Memorial church has been handsomely decorated in honor of the temperance workers. The walls of the main auditorium are draped with flags and bunting and the pulpit and choir loft are banked with palms. In the center of the pulpit is a large portrait of Frances Willard, surrounded by the banners of the various delegations.

Though a few of the women arrived yesterday morning, it was not until 3 o'clock that the delegates began coming in crowds. At that time a large delegation arrived from Lincoln. Among the delegates were: Mrs. S. M. Walker of Lincoln, state president; Mrs. E. M. Cobb of York, state treasurer; Mrs. M. D. Russell, state corresponding secretary; Mrs. M. A. Nickell, state recording secretary; Beatrice, Mrs. S. K. Dally of Lincoln, Lancaster county superintendent; Mrs. Bertha Towne of Hebron, state superintendent of literature; Mrs. Zara Wilson, state superintendent of franchise; Mrs. M. A. Morgan, Mrs. L. S. Gules of Lincoln, and Mrs. E. M. Gules of Pawnee City, all state superintendents and prominent workers.

Mrs. D. V. Wheelock of Superior, state vice president, arrived earlier in the day and with the other general officers is being entertained at the home of Mrs. Sarah R. Fisher, Twenty-fifth and Dodge streets, where a preliminary meeting was held at 3:30 p. m. The other delegates were met at the station by committees from the local union and taken directly to the church, where the assignment committee, with Mrs. Watson B. Smith as chairman, directed them to their places of entertainment.

Executive Session is Held.

At 8 o'clock last evening the general officers and state superintendents met in executive session for a general discussion of the year's work and plans to be presented this week. Mrs. S. M. Walker of Lincoln presided. Plans for increasing the county work were discussed by the various county presidents. Some miscellaneous business concluded the meeting, after which there was a general introduction of members. Though the election of officers is to occur on Thursday, the women made little interest regarding it and it is probable that there will be a general reelection of the old officers.

There will be another executive meeting this morning at 9 o'clock, when reports on the legislative, Chautauqua and special work will be heard. At 1:30 p. m. there will be another meeting when plans for increasing the department work will be presented and discussed by state superintendents.

The evening meeting and formal opening will be called to order at 7:30 o'clock. Rev. Edward F. Trefz will lead the opening devotional service, which will be followed by addresses of welcome. Rev. A. C. Hirst will speak on behalf of the clergy. Superintendent Carroll G. Pearse on behalf of the educational interest, Mrs. George Tilden of the Omaha Woman's club, Mr. Isaac Carpenter on behalf of the commercial interests and Mrs. Mary G. Andrews and Dr. Freda Lankton on behalf of the local union. The response will be made by Mesdames Florence Lake of Republican City, Celia C. Gates, Fairmont; L. A. Bates, Springfield; Isabelle Sprinkle, York. The program will conclude with the singing of views of prominent workers, introduced by Mrs. S. M. Walker of Lincoln and Mrs. C. E. Welton of Lincoln. After the program there will be a reception in the church parlors to the visiting women.

YORK CHURCHES ARE FILLED

Large Audience Listens to Bishop Goodell's Conference Sermon in the Morning.

DAVID CITY, Neb., Sept. 30.—(Special.)—Sunday services at the Methodist conference were largely attended. Bishop Goodell preached in the morning. The large church was filled to its utmost capacity and the bishop held the longest audience for more than an hour. He preached one of the strongest sermons of the conference. In the afternoon memorial exercises were held in memory of the deceased wives of ministers. These were followed by the ordination of deacons and elders. The following were ordained as deacons by the bishop: Charles E. Ruch, George Wash and Marvin E. Gilbert. The following were ordained as elders by the bishop, assisted by the five presiding elders of the conference and Rev. Dr. Wharton of Lincoln: E. T. Walker, W. H. Stanley, John Calvert, W. M. Morrow, J. E. McKenney, E. S. Burr, M. R. Crisp, G. L. Hosford and A. B. Grossman. In the consecration prayer in the ordination of the deacons and elders the wives of the candidates were present and knelt by the sides of their husbands. Dr. Thinkield of Cincinnati, O., who was to speak last night, did not reach the city until this morning. He will probably speak tonight.

The following ministers are in attendance who have held the pastorate at the church at David City: W. B. Alexander, G. W. Abbott, A. C. Crosthwaite, G. H. Moulton, George I. Wright and L. F. Smith. All of the pulpits in the city were filled by members of the conference yesterday, both morning and evening. An unusually large crowd heard Rev. Dr. Wharton in the evening.

STEPS IN FRONT OF A TRAIN

Section Hand at Plattsmouth Run Down and Killed While Going to Work.

PLATTSMOUTH, Neb., Sept. 30.—(Special Telegram.)—Joe Heston, section hand, was instantly killed about 7 o'clock this morning by a Burlington passenger train from Omaha while on his way to work on the section. He stepped from one track to another to allow a train to pass and did not notice the oncoming train. Coroner Gass will hold an inquest this afternoon. Heston was 55 years old, has resided here nine years, leaves a wife and three sons, aged 13, 7 and 2.

United Brethren in Conference.

AURORA, Neb., Sept. 30.—(Special.)—At the Saturday afternoon session of the United Brethren conference, with Bishop C. V. Castle in the chair, several papers were read and discussed. On Sunday morning at 10 o'clock a feast was held, with preaching by the bishop. At 11 o'clock the bishop delivered an able sermon, at the close of which he read the report of the

standing committee, which is as follows: North district, L. L. Epley, presiding elder; South district, C. M. Fuller, presiding elder; St. Paul, Jennie Starkey; Northfield, W. G. Arnold; Elba, J. Gell; Valley, William Tooley; Litchfield, F. Stinton; Broken Bow, H. E. Myers; Gibbon, A. Bold; Kearney, F. G. Harrison; Pleasanton, Mary V. Holman; Parkhurst, J. A. S. Dean; Heosier, S. E. Shaur; Chimney Rock, O. E. White; Harrisburg, W. H. Wagner; Platte Valley, J. Clark.

JENNIE L. BUTLER A SUICIDE

Splinter at Nelligh, Former New York Librarian, Takes Poison at Nelligh.

NELIGH, Neb., Sept. 30.—(Special.)—Mrs. Jennie L. Butler, an elderly woman living alone on the outskirts of town, committed suicide last night by taking carbolic acid. She moved here from New York last spring, where for years she had been employed in one of the prominent libraries of that city and where she has relatives. Morning letters, she had had considerable means, largely in money, on deposit in eastern savings banks. She was found in the garret of her house and it is presumed that she sought this place to escape observation and interruption in the act, which was clearly contemplated in advance. She has always been considered eccentric.

Satecrackers Poorly Rewarded.

COLUMBUS, Neb., Sept. 30.—(Special.)—The safe in Frank Bridell's saloon here was broken open at an early hour this morning, and the contents were rifled, but the burglars secured less than \$1. The explosion seems not to have been heard, but the building was seen to be full of smoke about 4 o'clock and an alarm of fire was turned in. The means employed by the safecrackers show them to be no amateurs and suspicion points to three strangers who were in town yesterday last evening. Entrance was effected to the saloon by knocking out a panel of the back door.

Johnson County Fair a Winner.

TECUMSEH, Neb., Sept. 30.—(Special.)—The Johnson county fair, which is being held in this city, was by far the best exhibition of the kind held in this county in years. The entries in the various departments exceeded those ever before made in one year by over 500. Especially good was the live stock display. The flower parade, morning parade, was participated in by numerous well-gotten-up rigs, which were very beautiful. The whole concluded with a carnival Friday evening. From a financial standpoint, too, the show this year was a success.

Two York Inventions.

YORK, Neb., Sept. 30.—(Special.)—J. E. McCann has recently invented an attachment to a harvester, which carries for the shock grain as it is bound and on a platform arranges the grain in such a manner that when the platform is filled, an automatic drop lets it down in the field in nice shocks as if done by hand.

T. P. Owen, a jeweler of this city, an inventor, has invented a harvester which binds with straw instead of twine and his machine has now nearly reached perfection.

Fusion Falls at Brainard.

BRAINARD, Neb., Sept. 30.—(Special.)—The democrats and populists met Saturday afternoon for the purpose of nominating a supervisor for Oak Creek, Center and Richardson precincts. It was intended that the fusion ticket should have been nominated, but as they could not agree on a candidate two were nominated, and there will be a three-cornered fight. The republicans are now confident that they will win.

Trenton High School Class Organizes.

TRENTON, Neb., Sept. 30.—(Special.)—The Trenton high school class of 1902 organized tonight with Will Lyon as president, Ernest Rubottom secretary and Miss Eva Thompson as treasurer. There are five boys and two girls in the class.

WHERE PIKE RAISED FLAG

Granite Monument Erected by State of Kansas to Mark the Spot.

CROWD AT UNVEILING CEREMONIES

Pawnee Chief, Who is One of the Speakers, Thanks White Men for Protecting His Ancestors' Graves.

REPUBLICAN CITY, Kan., Sept. 30.—(Special Telegram.)—The monument erected by the state of Kansas marking the spot where Lieutenant Zebulon M. Pike first raised the American flag on what is now known as Kansas, was unveiled today in the presence of an assemblage variously estimated at from 7,000 to 10,000.

The monument which is a shaft of bary granite, twenty-five feet high, was draped with flags, while a chorus gave "The Star Spangled Banner." Mrs. Elizabeth A. Johnson, the donor of the land now known as a state park, pulled the hayrack and the flag dropped from the shaft. Simultaneously the Sixth battery field artillery, Captain Granger Adams, commanding, fired a salute of twenty-one guns. It was a scene so impressive that the throng assembled bowed their heads and remained still and silent during the singing of the national anthem.

In the grove in the Republican valley below speeches occupied the attention of the people from 11 until 3. Prominent among the speakers were: Hon. F. Durmont Smith of Edwards county, Captain Short of Hallowell, Captain C. E. Adams of Superior, Hon. Nash L. Bowman of Garnett, who will probably be the next popular candidate for governor, and Congressman W. A. Calderhead. All these made addresses of great interest dealing mainly with historical and patriotic themes. Mrs. Katherine Lewis of Wichita and Mrs. Helen Kimber of Chetopa also made short talks.

A dramatic incident not on the program was the introduction of Roaming Chief of the Pawnees for a short talk. He appeared upon the platform bedecked in the bright colors of blankets and trinkets and his speech, which was translated by James R. Muro, was unique. It pleased the Pawnees, he said, to know that the white man had marked the site of their chief village of the old days and he thanked the white people for not allowing the horses and cattle to walk upon the graves of his ancestors. There was a band of twenty-five Pawnees under Roaming Chief, in attendance.

At 3 p. m. an exhibition drill of the Sixth battery, 145 men, took place.

The day was finished with a ball game between Superior and Concordia.

An interesting feature connected with this celebration was that fully a third of the members of the legislature that appropriated the fund to improve the park and erect the monument were present and late in the afternoon posed for their photographs.

An interesting relic, which was exhibited was a commission issued to Lieutenant Nichols, father, Zebulon Pike, as major in the regular army, by President Thomas Jefferson.

WITNESSES WILL NOT TELL

Fielder Charged With Shooting George Pease With Intent to Kill.

PLATTSMOUTH, Neb., Sept. 30.—(Special.)—County Attorney Jesse L. Root filed a complaint in Justice Archer's court today charging William Fielder with having shot George Pease, with intent to kill. Pease has been working in the Burlington shop for several years while Fielder has only worked there one month. Pease declares that Fielder shot him about 1 o'clock yesterday morning and followed him to his home. This Fielder denies. There were several present, it is said, at the time of the shooting, but the fact no one has been willing to tell who did it. The police are working on the case. Pease is reported to be worse.

Banishment Thrown from Horse.

AINSWORTH, Neb., Sept. 30.—(Special Telegram.)—S. R. Ruffoisen, an Islander living a few miles northeast of Ainsworth, is lying at the point of death, having been thrown from a horse yesterday while riding his range. He received internal injuries.
