the government repoit was read, giving the condition as 61.4. Immediately the wildest excitement prevailed, as this meant a decline of 19 points for the month and the lowest showing for a term of years. Enormous blocks of cotton were bld for. The upward movement did not stop until January touched 8.02. The selling was in most cases by parties who had profits in sight and were willing to secure them. There was some selling, however, for short account. The market cased off at the close ond was finally steady in tone at a net rise of 21 to 24 points.
