

CALL FOR STATE ELECTION

Governor Savage Issues Proclamation for Fifth of November.

VACANCIES ARE CAUSED BY RESIGNATIONS

Senator Fairbanks of Indiana to Make Four Campaign Speeches in This State-General News of Nebraska.

(From a Staff Correspondent.) LINCOLN, Oct. 5.—(Special.)—The following election proclamation, signed by Governor Savage September 30, was issued today:

Under and by virtue of the authority vested in me by the provisions of section eleven (11) of chapter twenty-six (26) of the Compiled Statutes of Nebraska for the year 1900, entitled "Elections," I, Ezra P. Savage, governor of the state of Nebraska, do hereby issue this proclamation, reciting that on Tuesday, the 5th day of November, A. D. 1901, there will be an election held at the usual places of voting in said state, for the purpose of electing the following officers, to-wit:

One judge of the supreme court.

Two regents of the University of Nebraska.

One senator from the Twenty-fourth senatorial district, to fill vacancy.

One representative from the Eighth representative district, to fill vacancy.

One representative from the Thirtieth representative district, to fill vacancy.

One representative from the Tenth representative district, to fill vacancy.

One judge of the district court from the Eleventh judicial district, to fill vacancy.

In testimony whereof, I have hereunto set my hand and caused to be affixed the great seal of the state of Nebraska, this 5th day of October, A. D. 1901.

Done at Lincoln this 5th day of September, A. D. 1901.

By the governor: EZRA P. SAVAGE.

G. W. MARSH, Secretary of State.

Caused by Resignations.

The vacancy in the Twenty-fourth senatorial district was caused by the resignation of Senator N. V. Harlan, who was appointed special state prosecuting attorney for the district of Alaska.

In the Ninth representative district P. M. Mullen resigned to accept a position in the government service in Alaska.

The vacancy in the Eighth district was caused by the death of Representative David Brown, and that in the Thirtieth by the removal of Representative Charles A. Fowler.

In the Eleventh judicial district J. N. Paul is acting judge upon appointment by the governor, but his term will expire January 1. The vacancy was originally caused by the death of Judge C. A. Munn.

Fairbanks to Speak Four Times.

Chairman Lindsay of the republican state central committee announces that Senator Fairbanks of Indiana will make four speeches in Nebraska during the campaign.

On the evening of October 15 he will deliver an address at Geneva and on the following night he will be at Hastings. From there he will visit next on the 18th and Central City on the following day. Senator Beveridge will also do some campaigning in Nebraska, but his itinerary has not been arranged.

Broken Bow Depositors' Dividend.

The report of Bank Examiner Whittemore, showing the condition of the defunct Farmers' bank of Carter county, Broken Bow, indicates that depositors in that institution will receive dividends which will approximate 60 per cent of their deposits.

The total assets as shown by the books is \$57,846.57, while the liabilities are only \$36,121.31. This, however, is not a true showing, as a large amount of the paper held by the bank is regarded by the examiner as worthless. Making an allowance for the loss through bad paper and the probable expenses of making collections Mr. Whittemore estimates that the dividends will amount to at least 60 per cent of the deposits.

S. H. Holcomb, brother of Judge Holcomb of the supreme court, has been appointed permanent trustee of the institution by Judge H. M. Sullivan of the Twelfth judicial district.

October Term of District Court.

The October term of district court will begin next Monday morning and is expected to last with an intermission of two weeks about election time, until the middle of December. There has been no court since July and the dockets have gradually accumulated a considerable number of cases. Judge Frost will preside over criminal law. Judge Holmes over law and Judge Cornish over equity.

The total number of law cases is 157, of equity 182 and criminal sixty. There are thirty-nine divorce cases. The criminal cases embrace almost every crime in the category, from simple assaults to murder in the first degree.

College Girls at Basket Ball.

Arrangements have been completed for a game of basket ball between the young women of Nebraska university and the young women of Missouri university. The contest will be held in the Nebraska gymnasium the evening after the meeting of the Nebraska-Missouri foot ball teams, November 2.

E. J. Cornish on Divorce.

Edward J. Cornish of Omaha, attorney of the Douglas county bar and a bachelor, contributes the following argument against the revision of divorce laws to the symposium of Labor Commissioner Watson:

Question: Are you in favor of a more stringent divorce law in Nebraska, so what steps do you deem necessary to secure a practical method of reform?

Answer: I am not, unless it be to require personal service upon non-resident defendants except in cases where it is made to appear to the satisfaction of the court that such service cannot be had.

Q. What is the effect of divorce on the integrity of the family?

A. Injurious, but not more injurious than

the continuation of the conditions that justify divorce under existing laws.

Q. Would a more prohibitory measure, reducing the number of causes for divorce as defined in the existing statute, have a tendency to promote the moral purity of society in this state?

A. I think not. The unfortunate increase in the number of divorces granted is the result rather than the cause of faulty conditions in society. The divorce laws of the state are in accord with public sentiment in practice the statutory and biblical grounds are the same, with rare exceptions. What is best for the immediate parties seems to me to be best for the state, for surely there is nothing alluring or seductive in divorces, no matter how easily obtained. Whether viewed theoretically or by comparing the moral purity of society in different localities where different systems prevail, I see no sufficient reason to change our divorce laws.

HUMBOLDT, Neb., Oct. 5.—(Special.)—It is now almost an assured fact that Charles Samuelson of North Platte, a member of Company C, Ninth Infantry, was killed in the recent fight on the island of Samar. KAVANAUGH IS ACQUITTED

Slayer of Dennis McLaughlin Given His Freedom at Tecumseh.

SHOOTS HIS VICTIM IN SELF-DEFENSE

Jury Holds That the Prisoner Was Forced to Commit the Deed to Protect His Own Life.

TECUMSEH, Neb., Oct. 5.—(Special.)—At the close of two days' trial in district court here the jury late last night acquitted John Kavanaugh, charged with felonious assault and murder, for the killing of Dennis McLaughlin on the McLaughlin farm near Smarville May 15. At his preliminary examination the justice refused to bind Kavanaugh over for trial on the charge of manslaughter, claiming he was not guilty and shot McLaughlin in self-defense. Later the case got into district court. Kavanaugh continued his plea of self-defense and was acquitted.

The evidence showed that Kavanaugh, a young married man, and McLaughlin, an old bachelor, lived on adjoining farms in the northern part of the county. For months before the day of the shooting had blood had existed between the two men.

Kavanaugh Shoots First.

On McLaughlin's farm is a small lake and until this spring men and boys frequently fished and hunted there. This spring McLaughlin and Kavanaugh were seen trespassing. On the day mentioned Kavanaugh, in company with a neighbor boy named Lagerst, took his fishing rod and rifle and went to the lake to fish. McLaughlin, seeing the intruders, got his gun and hastened to the spot. He leveled his gun at Kavanaugh and threatened to shoot if the intruders did not quit the place at once. Kavanaugh began to gather up his fish line and told the old man he would leave at once. His coolness was too much for McLaughlin, for the latter continued his threats in such a violent manner that Kavanaugh, fearing he would be shot, took advantage of the opportunity when he turned his head and, grabbing his own weapon, shot McLaughlin three times. The old man never gained consciousness, although he lived several days. A shot in the skull proved fatal.

Kavanaugh hailed some passersby, told them of his deed and asked that they call the sheriff and the police. He then went home to wait for the sheriff. Kavanaugh has been out of jail all summer under bond to appear at this term of the court. His parents, Mr. and Mrs. Byron Kavanaugh, are one of the most respected families of the county. It is thought that much more concern in the unfortunate affair than the young man does.

HYMENEAL.

Comte de Perigord-Helen Morton.

(Copyright, 1901, by Press Publishing Co.) LONDON, Oct. 5.—(New York World Telegram-Special Telegram.)—It was a stately and impressive ceremony that united in marriage at St. Mary's church, Cadogan street, according to the Roman Catholic rite, the beautiful Helen Morton and Comte de Perigord, son of the Duke and Duchess de Talleyrand Sagal. It was a distinguished gathering in appearance, as well as in fact, that just comfortably filled the edifice.

Mr. Choate was present with the entire staff of the embassy. Second Secretary Ridgeley Carter and Third Secretary Eustis, brother-in-law of the bride, acting as ushers. Mr. Choate, holding his 70 years wonderfully well, sat across the aisle from Lord Faunceforte and beamed upon the high contracting parties with true ambassadorial dignity.

During the progress of the ceremony the duchess of Marlborough came in, entirely alone, dressed in purple velvet and fur, and took a seat by herself in one of the rear pews. The wedding party marched up to the altar at exactly 1 o'clock and it was almost 2 when the ceremony was completed and the bride and groom came out to the carriage, she towering almost head and shoulders above him.

It was a small and exclusive party that partook of the wedding breakfast at the house of Third Secretary Eustis in Eaton place immediately afterward.

The bride, leaning on her father's arm, wore a rich cream satin gown, trimmed with Alencon lace, had an orange wreath and carried a bouquet of white flowers. She was followed by the bridesmaids, her sisters, Alice and Mary. Count Bosen de Perigord, attended by his best man, Count de Crisnoy, awaited the bride at the altar.

In the absence of the bishop of Emmaus Father Keller officiated at the service, which was concluded with an exhortation by Father Kelly. The party then retired to the sacristy to sign the register, the organ in the meanwhile playing the wedding march from "Lohengrin."

The registry was signed by Mr. Morton, his wife and daughter, Mr. Choate, M. L. Geoffrey, the French charge d'affaires, Baron de Selliere and his wife, Count Louis de Perigord, the duchess of Tallyrand, Mr. and Mrs. Eustis and others.

Among the guests, besides those already mentioned, were: Lord and Lady Falkland, Henry White, secretary of the United States embassy, and his daughter; Mrs. Donalds, Captain R. Clover, the United States naval attaché, and Mrs. Clover; F. E. de Bille, the Danish minister; Mrs. de Bille and Miss de Bille, the duchess of Manchester, William Waldorf Astor and Miss Astor, Mr. Mrs. Post, Mrs. Post, Miss Grinnell, the Misses Choate, the Misses Pauncefote and the Misses Handis.

The newly married couple started for France on their wedding journey early in the afternoon.

Redwood-Bacon.

HUMBOLDT, Neb., Oct. 5.—(Special.)—William Redwood and Miss Lulu Bacon were married yesterday at the home of the bride's father, A. E. Bacon, a farmer of this county. The ceremony was performed by Rev. C. S. Long of DuBois. They will live near Middleburg.

OMAHA PACKERS SEEK SITE

Benn and Wallwork Examine Land in Kansas City and St. Joseph.

KANSAS CITY, Oct. 5.—(Special Telegram.)—N. Benn, general manager of the Omaha Packing company, and John Wallwork, manager of the beef department for the same company, were in Kansas City this morning, guests of H. P. Childs, general manager of the Stock Yards company. The representatives of the Omaha company came to Kansas City for the purpose of looking over available sites for building a branch house and to receive propositions from the Kansas City Stock Yards company.

The greater part of the forenoon was spent in Mr. Childs' office, during which time Mr. Benn outlined the intentions of his company. He made it plain that it had decided to enter the southwest field and that the new house would be at Kansas City or St. Joseph. After the conference Mr. Benn, Mr. Wallwork and Mr. Childs went to Armourdale to look at several tracts of land owned by the Stock Yards company which are suitable for a packing plant. One tract of land containing twelve acres was favorably considered by the visitors.

Upon their departure from the Exchange building Mr. Benn carried with him a proposition from the Stock Yards company. The site at Kansas City for the purpose of afternoon to receive propositions from the Stock Yards company there, after which they will return to Omaha. A meeting of the directors of the Omaha Packing company will be called immediately to consider the propositions. Some definite action will be taken at once, as the company is anxious to begin work on the new house as soon as possible.

"Since August 1, 1900," said Mr. Benn, "we have been killing 1,000 cattle a week in the Fowler plant in this city under a lease, which expires January 1. Our trade in this city has grown so rapidly that the facilities of the Fowler plant are inadequate for our requirements. We have been compelled to ship several hundred cattle to Omaha for slaughter each week in order to supply the demand. Even if the capacity of the Fowler plant were large enough to meet the demands, we are unable to renew our lease, which makes a plant imperative."

TOPEKA, Kan., Oct. 5.—The Kansas supreme court today affirmed the judgment of the district court of Shawnee county in the case of the State against Balfie Stark. Stark was one of Carrie Nation's assistants in joint-smashing. In one of the raids they destroyed property which led to arrests. Stark was fined \$25 and costs. The whole amounted to about \$100. He appealed to the supreme court, claiming among other things that a saloon, being under the ban of the law, might be destroyed by any citizen without violation of law. In the syllabus the court says: "All places where intoxicating liquors are sold or kept for sale, or places where persons are permitted to resort for the purpose of drinking the same, are declared by statute to be common nuisances. This fact, however, does not justify their abatement by any person or persons without process of law. They can be abated only by a prosecution instituted in behalf of the public by the proper officers. The destruction or injury to property used in aid of the maintenance of such nuisances, except in the manner provided by the statute, is a trespass." The opinion was written by Justice Smith.

Cholera Innumera.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give the children Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil as directed, with each bottle, and a cure is certain. Since this remedy has come into such general use there are very few deaths from cholera infantum and none whatever when it is given. For sale by all druggists.
