SURVEY IS FOR TROLLEY LINE Minnesota City Connection with Twin Cittes Not a Northwestern

CHICAGO, Oct. 20 .- It was learned today that the survey recently made for a railcircles in the northwest, is not in the inciest of either the Chicago Great Western or the Chicago & Northwestern company, as

has been generally believed.

The survey, if is stated, was for an electric line to connect Minnesota City with communication with either St. Paul or Min-neapolis. The enterprise was promoted St. Paul and Minneapolts parties and its money necessary to complete the line is furnished by Chicago and Philadelphia capitalists. Construction work will begin next

Connection will be made with the Twin City Rapid Transit railway and entrance thus given to all parts of St. Paul and Minneapolis. The road is undertaken as a purely passenger line and must prove of great advantage to the section of Minne-

sota through which the survey Hes.

The merchants of Clay Center gave their cuntry customers a free ente teinm at Saturday. The fun commenced at 1:30 p. m. and consisted of trapeze performancees. vious d.y.

This charming model ful-fills all the requirements and has the merit of being in the latest style. The original is made of turquoise blue challie with black figures, the front and undersleeves being of plain blue Sapho satin. The revers of black which threads of gold are woven, but many equally satisfactory materials might be suggested. Cashmere, albatross, pricess crepe nun's veiling and French fiannel are all fashionable, while soft silk always makes a

handsome gown. The back is fitted with a center seam side-backs and under-arm gores that curve to the figure and give a princess effect. The full front is tucked to yoke depth, then falls free, its edges being attached under the fronts proper which are turned back to form revers. Beneath is a snugly fitted body lining that extends slightly below the waist line. The fancy sleeves are arranged over fitted linings and are curved at the lower edge, where they fall over soft puffs. At the front is a velvet ribbon that is at-tached at the under-arm seams, brought around to the front and bowed.

To cut this gown for a woman of medium size 13 yards of material 21 inches wide. 11 yards 27 inches wide or 7 yards 44 inches wide will be required, with 21/2 yards 21 inches wide for full front and underslesses and % of a yard of velvet to trim as illus-
