COTILLION GIVES WAY TO ASSEMBLY

Another of the recently organized clubs for the entertainment of a certain coterie is the Theater club, which made its debut in Omaha last week. It has a membership of twelve, which included one young married couple, and its plan is to attend the theater or do something else at least once every week, and later a supper at the home of some one of the members. On last Monday evening the club made up a theater party at the Orpheum and later adjourned to the home of one of the members, where a chafing dish supper was served.

Dame Rumor is again talking about debuts and among other things says that one of the young women who was to have been introduced has decided to forego that pleasure for another year and will soon return east to devote herself to music.

Miss Lena Rehfeld, as maid of honor, wore pink chiffon, with overtrimming Creigh, Powell, McIntyre, Towle and Sherof white, and preceded the bride, who entered with her father. Her gown was of shirred crepe and she wore a short vetl. At the altar the ushers and maids took their positions in a semi-circle back of the altar while Rabbi Simon read the marriage service. After the wedding a supper was served for the bridal party and members of the family at Metropolitan club and later a reception was held there to about 200 guests, Mr. and Mrs. Rehfeld being assisted by the members of the bridal party.
