I believe that 1 am the only grocer in
the city that can give you Morrell's maccaront. It is made from a specially grown
wheat which gives it that rich, yellow
color, which is due solely to the nature of
the wheat and not from coloring matter
which is to be found in other maccaroni.
We make a specialty of serving our
customers with fine country butter. We
get some of the other kind, of course, but
we turn that over for the other fellow.
