RETIRES PREFERRED STOCK

Northern Pacific Issues Formal Notice of Its Withdrawal.

IS ALSO CALLED CONVERTIBLE Announce that Holders of Certificate Will Receive Par Velue

in Common for

NEW YORK, Jan 2.-Formal notice was ssued today that in exercise of the power conferred upon it the Northern Pacific Railway company retired its preferred stock in whole yesterday. Each and every dollar of a certificate for preferred stock not heretofore surrendered will upon presentation and surrender of his certificate at the office of the company, No. 49 Wall street, receive payment in cash at par. Except as to this claim all rights and claims of the preferred stockholders have ceased to exist. Notice was also given by the Northern Pacific Railway company, that it had elected to require the holder of every 4 per cent convertible certificate of the company to convert the same into common stock of the company at the rate of one share of \$100 for each \$100 of the unpaid principal of the certificate and upon surrender of such certificate at the company's office the holder will be entitled to receive therefor common stock of the company at the rate aforesaid. No interest will accrue or be payable upon any such certificate from and after January 1,

These notices showed that from and after today the capital stock of the company would consist of \$155,000,000, entirely common stock, and that the bond certificates issued to provide for the retirement of the preferred stock would be retired immediately. The effect of this was to put what was formerly preferred stock

on the same basis as the old common. All of the Northern Pacific stock is to be taken over by the Northern Securities company, which will also acquire all of the stock of the Great Northern. Northern Securities company will thus hold the stock certificates of the great companies in the northwestern field, and, under the settlement agreed upon between the confending interests for control in that field, will administer the properties in its charge to the end that harmony may

prevail. The belief in Wall street was general today that the rapid retirement of the North-ern Pacific preferred stock, followed by the redemption of the bonds issued for its retirement, had removed the obstacles in the way of the carrying out of the plan for the adjustment of the difficulties which grew out of the contest for the control of Northern Pacific last May. It was this contest and a sensational rise of Northern Pacific common to \$1,000 a share which brought about the sensational decline in the prices of other securities on May 9.

United States supreme court is in line with the original plan made by Mr. Douglas regardless of its effect on the ultimate result of the fight it will definitely settle the question of jurisdiction, which is some-what clouded. The suit in the United States supreme court may be immediately followed by an action along the same lines of the supreme court of New Jersey.

SAVANNAH, Ga., Jan. 2.—In the United States court today Marion Erwin, special assistant to the attorney of the United States, filed a new bill in the case of the government against Oberlin M. Cartes. The offl seeks to prevent the Savannah Brewing company, the Savannah Lighterage and Transfer company and the Propeller Tow-boat company, in which Carter held large blocks of stock, from paying the interest accruing to either the agent or the receiver for Captain Carter's property. orders Thomas Martin, who owes Carter \$6,000 on a note, to pay the money to the receiver, and John K.
