READY FOR TAX COMPLAINTS ANNUAL OF PROSPECT HILL Cemetery Association Reported to Be in Better Financial Condition City Council Legins Iss Sitting as a Board Than Ever Before.

of Equalization.

HASCALL AND CONNELL DIFFER ON LAW

Connellmen Say Board Cannot Cut Assessments Without Haising Others and City Attorney Expresses Contrary Opinion.

Soon after 10 yesterday morning Presi- hands of the treasurer. dent Karr called the city council to order A resolution was adopted expressing and announced that the organization of a gratification at the promise of the Omaha board of equalization for general taxes was Street Railway company to complete a line Councilmen Trostler, Mount, to the cemetery early in the spring and it in order. Hascall, Burkley, Zimman, Hoye and Karr was decided to lay before the company the were present. chairman of the board by unanimous vote. by the middle of May, so as to provide ade-

At the suggestion of Councilman Hascall quate facilities for reaching the grounds on it was decided to have a quorum present in Decoration day. the council chamber from 2 until 5 Wednes- At the close of the lot owners' meeting day, Thursday, Friday and Saturday after- the trustees held their regular meeting, at noons and Friday and Saturday forenoons which the old officers were re-elected for to listen to complaints. A committee from the ensuing year as follows: Charles A. the Real Estate exchange asked that it be Baldwin, president; Henry W. Yates, vice given permission to introduce speakers Fri-day afternoon, who will file objection to the Reed, 'reasurer: D. C. Gallahan, superinassessment placed upon the personal prop- tendent. erty of the tranchised corporations. The councilmen agreed to hear the real estate men at that time.

In discussing the laws which govern the Board of Equalization, Councilman Hascall the danger point. Foley's Honey and Tar said the decisions in this state show that affords positive protection and security from these coughs. the board must he solely one of equalization and that it cannot make changes in assessments only as it is shown by comparicon that inequalities exist.

Hascall's View of Law.

of Calaveras, discovered by miners in 1850; "If you reduce the assessment of one man the Alabaster cave, the Crystal Palace the assessment of others must be raised cave, containing a number of attractive sufficiently to make up for the cut," said subterranean apartments such as the Bridal Mr. Hascall. "In making changes in as- Chamber, the Crystal Palace Room and a sessments the Board of Equalization must curious apartment called Music Hall, where not work any change in the total amount of the deposits of squeous origin not only take assessments. The board cannot cut and the form of organ pipes, sounding boards, slash as it pleases. Its work is regulated etc., but also emit, when struck, musical by the law."

Equalization City Attorney W. J. Connell ex- visit and return to the railroad within half pressed the opinion that Mr. Hascall holds an hour. an erroneous opinion. "I have always con- THE ONLY NATURAL WAY TO REACH tended that it is the purpose of the Board of Equalization to deal with taxpayers regardless of whether a change is worked in the total amount of assessments," said Mr. ciffe, now really one line. The only line Connell. "If inequalities exist in assess- running through trains to San Francisco ments the board has the power to equalize them. In my opinion there have been no decisions which will prevent the councilmen from changing assessments as they may deem necessary. If the decisions prevent any reduction or increase in the grand total cars Omaha to Pacific coast daily. it will be impossible to deal fairly with many taxpayers. An error is liable to creep into the assessments. Imagine that a man were assessed \$10,000 on a lot which adjoins lots of the same sort which are returned at only \$1,000. Unless other assessments could little wink to the majority of people is be raised \$9,000 it would be impossible to fetching, which being the case with Joselower the erroneous assessment, in the phine Sabel, is being amply tested at the RICH AND RARE opinion of Judge Hascall. No such inter- Orpheum by big audiences. However, it is

Question of Time Considered.

The law requires that the Board of Equalization shall sit at least five days. It was thought by some members of the council that this would not be a long enough matinee this afternoon will be well enter-matinee this afternoon will be well enter-tained, as M sa Mary Norman will caricature manifested this year by persons who desire to have the personal assessments of large corporations increased. After discussing

Of to Florida. the matter for some time, however, the The Burlington Route is organizing councilmen decided to limit the sitting to personally conducted excursion to Florida five days if possible and agreed that all and Cuba, to leave Omaha. 5:10 p. m., must be acted upon not later | Wi

Time for Filing Motion for Rohearing in

At the annual meeting of the lot owners of the Prospect Hill Cemetery association CHIEF'S ATTORNEYS MAKE NO MOTION C. A., Baldwin, whose term as trustee expired, was unanimously re-elected. The secretary read reports from Henry W City Attorney Connell Says Fire and Yates, trustee of the permanent fund, and also the business report of the receipts and Police Board is Ready for the expenses during the year 1901, showing the

finances of the association to be in much better condition than they ever had been before. The amount in the permanent fund is \$11,800, in addition to some \$1,600 in the Yesterday was the last of the forty days uring which John Redell, suspended chief

of the Omaha fire department, may file a motion for a rehearing in the case recently decided by the supreme court. Attorneys for Redell failed to file any such motion. "The city is well satisfied with the de-Mr. Karr was named as importance of having this line completed ision of the supreme court in the Redell case," said City Attorney Connell. "The decision holds that the Board of Fire and Police Commissioners has authority to try

Redell and discharge him. We could ask for nothing better than this. Under the decision there is no doubt about the board's authority to proceed as it sees fit in the case. The court clearly ruled that the councll does not have jurisdiction in the case. "If no motion for rehearing is filed the board will doubtless begin the trial of

Redell without delay. This will give an La grippe coughs often continue for opportunity to introduce evidence which has months and sometimes lead to fatal results not been made public. The board has alafter the patient is supposed to have passed ways desired to have Redell's case brought to trial, but the attorneys for the suspended chief have been equally active in their opposition to a trial."

opinion."

Tax Commissioner Fleming, turned his records over to the board and also handed to the clerk about forty complaints upon which the Board of Review took no action on account of lack of time. Councilman Hascall protested against the consideration of these complaints and urged that all objections must be made to the Board of Equalization first hand. The other councilmen supported him in this objection and the complaints were rejected.

BURGLARS MAKE A DONATION

Four Stolen Hams Found on the Steps of Unity Church at Day-

break.

Four excellent sugar-cured hams, bearing the brand of a well known packing house, were found by Detectives Donohue and Savage yesterday on the steps of

Unity church, Seventeenth and Cass streets. me time during the night a burglar broke into the butcher shop of Peter Beeson, 2804 Farnam street, and stole six hams Of these four were left on the church steps What church, if any, received the other
