Constipation leads to liver trouble and torpid liver to Bright's disease. Prickly Ash Bitters is a certain cure at any stage of the disorder.

A Card of Thanks. We wish to express to the public of Omaha our sincere thanks for their acceptance (at the beginning) of our word as to the great value of

Smith's Green Mountain Renovator as the greatest cleanser of the blood, nerve tonic and body builder which has ever been offered to the public of this city.

Although we have sold the Renovator but a short time it is no longer necessary for us to speak for it.

SMITH'S GREEN MOUNTAIN RENOVATOR'S cures do that for us. Weak people—old and ailing.

Men of business—crowded with cares and responsibilities with thin bad blood, shattered nerves, a stomach that does not digest its food, a liver and bowels clogged and stagnant.

Such people need our SMITH'S GREEN MOUNTAIN RENOVATOR and nothing else.

This excellent tonic and nerve strengthener, being made from the purest of roots and herbs comes fresh from Vermont's Mountains, contains no poisons and does its work in nature's way with nature's means.

We always sell our Renovator on the guarantee to benefit or money refunded.
