Great Change in Last Few Years in High School Athletics-Faculty Now Exercises Complete

Supervision.

A new rule has gone into effect at the Council Bluffs High school and it affects the pupils who are desirous of playing foot ball this season in the first and second school elevens. Before any pupil will be permitted to become a member of either team he will be required to secure from his parents or guardian a signed statement releasing the school district from all liability for damages in case of injury to the pupil while playing and to the effect that the pupil is sufficiently strong and healthy to play.

This rule has been put in effect for the reason that last year the parents of several of the pupils who played foot ball blamed the school authorities for permitting their sons to play on teams without first obtaining their consent. It was therefore decided this year that in view of these complaints and to prevent further criticism from parents that the statements from parents and guardians be required before the

student would be permitted to play. Athletics at the high school have in the course of the last two years been placed on a very different footing from the past. IOWA CITY, Ia., Oct. 7.—(Special Telegram.)—Iowa opened its foot ball season by defeating the State Normal school & to 5 on Iowa field this afternoon. Iowa opened the game by scoring within two minutes on end plays and continued the same fast work throughout the game. The interference was good, especially the helping work by Ochiltree, Jones, Siberts, Hollenbeck and White. The plays were worked smoothly for the most part. The end plays were used most frequently, though the line bucks, when tried, gained ground consistently. Howell was the only lowa player unable to advance the ball steadily. The Normal's touchdown was gained by a forty-five-yard fluke run to Iowa's eightyard line and two successful leaps over tackle made in six downs. The lineup was:
