powerful impulses within a week.

King Edward to one of the most insidious drinking customs in the army and navy. when he said that his health "can be drunk just as well in water as in wine.'

It has been the custom both in the army and the navy to insist that every officer, no matter how young and even if he never drinks otherwise, shall tonst the king in a glass of port wine. Teetotalism, therefore, has been virtually impossible to either service.

The second was Prof. Mazzoni's remark to the World's Rome correspondent attributing Pope Leo XIII's extraordinary tenacity of life to "A healthy heart, unimpared by alcohol and strengthened by regular, simple habits." Naturally the temperance societies are jubilant.

CHILDREN ARE IN A BAD WAY London School Board Report Startles.

Dignity of the State HILL FORETELLS PROSPERITY

notify

In arriving at this decision the ministers declared that they had been guided by the wish to protect the dignity of the state, and by no lack of respect for the pontiff, toward whom there have been the most chivalrous manifestations of sympathy from the king, who postponed his journey

to Paris on account of the pope's health, pating in the universal feeling of regret at the pontiff's illness, thus forgetting the traditional struggle between church and state.

FROM BULLETINS BEDSIDE Cables Tell Hourly Condition Holy Father in Brief Form

ROME, July 18 .- 9:40 a. m .- The doctors attending the pope have just issued the

The night was passed without sleep, but from an early hour this morning his holi-ness rested well. His respiration is calm and not superficial, and the level of the pleural liquid is slightly lowered. His temperature is 35.2 centigrade, pulse weak, 55; respiration 25. The general condition of the patient is unchanged. Slightly LAPONNI

LAPONNI. MAZZONI

ROME, July, 18.-11:35 a. m.-Dr. Laponni, not expecting any change for the worse in the pope's condition, left the Vatican im-

mediately after his morning visit to his august patient. On returning about 11 o'clock the doctor found the condition of Winter Wheat Crop Overpowers Railhis holiness unchanged. He induced him to take the yolk of an egg and a spoonful of marsala.
