The market on steers and feeders held just about steady with yesterday. There were only a few cattle in sight and as the close of the week is near at hand the de-mand was not particularly brisk. Every-thing that arrived, though, sold without rouble at steady prices. There, were several cars of western grass beef steers on sale, but they were of com-mon quality. The prices hald, though, were fully steady and everything that would do for killers was disposed of at an early hour. Range cows were in good demand at steady to strong prices, while the few western stock cattle that arrived sold at fully steady prices.
