ROSEBERY WANTS A CHANGE

British Liberal Leader Arraigns Cabinet for Mistakes in B. or War.

MEMBERS INDIVIDUALLY RESPONSIBLE

Would Have King Edward Entrusted War Office to Lord Kitchener with Authority to Reorganize System.

LONDON, Sept. 11.—Lord Rosebery, replying to a correspondent, has written lengthily on the subject of the recent report of the committee of inquiry into the South African war. He vigorously condemns the cabinet as being severely and individually responsible for the disasters and the ineptitudes of the war and advocates a new departure in the military management of Great Britain, commencing by requesting the king to entrust the entire management of the War office to General Lord Kitchener, with the fullest authority to reorganize the present system.

Lansdorf to Resign.

COPENHAGEN, Sept. 11.—The correspondent of the Associated Press learns from a reliable source, well informed in regard to Russian affairs, that Count Lans-

MAJOR DELMAR VERY FAST

Goes Mile Within Quarter of a Second of Lou Dillon's Record.

ESTABLISHES LOW MARK FOR GELDINGS

Great Son of Delmar Reduces His Own Record and Lowers that of Crescua Two of Seconds.

SYRACUSE, N. Y., Sept. 11.—With turf conditions which were estimated to make the course a good half second slower than on Wednesday, when he established a new world's trotting record for geldings, 2:04 1/4, Major Delmar went a mile on the state fair grounds track at 2 o'clock this afternoon in 2:04 1/4, lowering his previous record 1/4 second. This remarkable exhibition of speed was made in the presence of 15,000 persons, who cheered enthusiastically when the result was announced and it was realized that Lou Dillon, the two-minute trotter, alone stood between Major Delmar and the world's trotting record, and that by only a quarter of a second.

The early actions of Major Delmar did not promise the splendid achievement which was to follow. Twice McDonald nodded his head as he drove Delmar down the stretch accompanied by a runner, and twice did the gelding break, first at the eighth and then at the quarter pole, and was returned for another start.

Off at Third Trial.

A pair of shadow goggles were removed from Delmar's eyes as it was thought they had a tendency to make him restless, and McDonald again announced his readiness for another trial. This time there was no fuke. With the regularity of clockwork Delmar settled down to his work and interest in the grandstand became intense. The quarter was reached in 0:34 1/2, the same time made by Delmar in Wednesday's trial. Soon after passing the quarter pole the gelding faltered slightly, but soon recovered himself and reached the half in 1:11, having gained three-quarters of a second over his time on Wednesday. At the half Delmar and his runningmate were joined by a second runner and the real contest began. Side by side flew the three hurries. Glances at watches showed that the quarter had been done in 0:34 1/2, and a mighty cheer went up. Coming into the stretch McDonald gave Delmar a light touch with the whip and the gelding in response made a magnificent spurt, which brought him under the wire in 2:04 1/4.
