### WINS SERIES

American Club Takes the Majority of the Chio Champ onsaip Games.

LAST GAME ENDED IN THE DARKNESS

Speciators Make Demonstration, but Umpire Insists on Nine Innings and calls on Policemen for Assistance.

CINCINNATI, Oct. 11.-The Cleveland American club won the series from the Cincinnati National club today by taking the second of the double header, making it rand six to four for the Ohio champion

Ragan was a puzzle up to the eighth inning in the second game and the Cleveland team could do nothing with his curves. It was so dark after the seventh inning that the players could hardly see the ball and this was responsible for Cleveland winning.

The spectators lighted their score cards and held them up and swarmed on the Cincinnati ....1 1 0 0 0 0 0 4 1-7 13 6 field so Umpire Hurst would call the game. He absolutely refused and the policemen pushed the crowd back and the game proceeded to the ninth inning. Attendance, 5,743. Score, first game:

ELEVEN IS IMPROVING Coach Chalmers Hardly Hopes to Win from Minnesota, How-

IOWA CHTY, ia., Oct. 11.—(Special.)—The week of practice for the lowa eleven before the Minnesota game begins with the players in fairly good condition. No men were injured in the Drake game and the only trouble with which any of the play-

only trouble with which any of the players have to contend is some lame shoulders aused by tackling.

Coach Chaimers, began the season this year with the Minnesota game as the objective point. The team has made consistent improvement in the games played each week since the game began. Coach Chaimers has been working hard with the men both on the field and at signal practice in the evening. He has also been doing a vast amount of personal work with each mean the evening. He has also been doing a cast amount of personal work with each meanber of the team. They have shown the effect of this in each game and if they improve as much each week as they have improved so far this season they should be playing a good game by the latter part of the season.

The team is green yet and victory against Minnesota is hardly hoped for. Coach Chalmers had to begin all over with the old players who were back this year and in many cases the old players have not as yet been good enough to make the team against the new candidates, so there has been the handleap of greenness to contend with all along.

Table Rock Makes Only Score.

Table Rock, Neb., Oct. II.—(Special.)

—Pawiee City's High School football team gave the High school team of Table Rock, on the grounds here, yesterday afternoon, a very close and exciting game. Table Rock scored in the first half, a touchdown being made by Irving Jobe. No other score was made by either side. Practically all the play was in Pawnee City's territory and Table Rock's goal was never in serious danger. The final score was 5 to 0 on favor of Table Rock.

Long Drive at Golf.

During a match at the Field club's links vesterday afternoon Mr. Preston Davidson drove 28 yards from the eighth tes. This is almost equal to the longest drive ever made by a golf player, either amateur or professional. The drive is vouched for by H. A. Perkins, commercial agent of the Rock Island, who was Mr. Davidson's oppound in the match.

## WE CURE IMPOTENCY

If you are a victim of Nervo-Sexual Debility, with all its distressing symptoms, you certainly do not intend to remain so. The fact that you have taken inferior remedies to no avail should not desarcy your faith in all treatment, nor your hope of a radical cure. I have evolted a special treatment for Nervo-Sexual Debility that is uniformly successful in cases where success was before by other doctors deemed impossible. It does not stimulate temporarily, but restores permannity. It aliays the irritation of the delicate tissues surrounding the lax and unduly expanded seminal ducts, contracting them to their normal condition, which stops night emissions, dries up day drains, and prevents prematureness. It tones up and strengthens the blood vessels that carry nourishment to the weakened parts, which regain full power, size and vigor. Meanwhile all other symptoms improve, and the patient realizes that a great blight has been lifted from his life. I cure quickly, safely and thoroughly
