BELEVUE TRIES VARSITY

Expected to Make a Good Showing Against the Pupils of South. BELLEVUE, Neb., Nov. 18.—(Special)—If the Cornhuskers succeed in their effort to defeat the Bellevue college team in the game at Lincoln Saturday, it will be the first defeat the boys from here have had this season, but the odds are sure in their favor. The Bellevue team is the opposing team in an splendid condition in their pride. Long experience has taught them soon after the beginning of the season all colleges and high schools, and the stalwart Bellevue lads are champions of the State Intercollegiate League by an imposing majority. Their record looks something like this: Bellevue, 6; Omaha Commercial, 1; The game was practically a practice game played at Vinton street park, in which Coach Pinal tested the comparative merits of his men by using them alternately in the game. Bellevue, 2; Grand Island, 1; Bellevue, 2; Dundee, 6; Bellevue, 6; Deans college, 5; Bellevue, 2; Grand Island, 3. This is the only game by which one might judge of the relative powers of the two teams. The university beat Grand Island at the beginning of the season 4 to 0. Bellevue played them at their best and won by a score of 22 to 6, and the game was called off soon after the beginning of the second half in order to allow the visitors to make their home-bound train. Hastings was the last team to receive a drubbing from the hill dwellers. In this game Bellevue outlasted the Cornhuskers by a score of 10 to 0. The game was settled by the championship question by piling up a victory which amounted to 46 to 0. The team at present is looking well.
