Deaf Mute Breaks Into Saloon. Guy Parkhill, a deaf mute, is under arrest at the city fall charged with breaking into Frank Walkington's saloon at the corner of Broadway and Tenth street. Parkhill forced an entrance into the saloon by prying the back door latch with a coul shovel. When Walkington went to the saloon at 6 o'clock yesterday morning he heard some one moving about in the bar and called out that he had his revolver and would shoot. Entering the bar room he failed to notice any one, and Officer Humphrey happening along, the two instituted a search, with the result that Parkhill was found crouching in the corner of the coal shed. Investigation disclosed that nothing had been stolen, and as Parkhill is said to be not altogether mentally bright, Walkington, it is understood, will not prosecute.

DEMOCRATS THE WINNES

Will Have Practical y Complete Control of City the Coming Year. GET MAYOR AND ALL BUT ONE OF COUNCIL

Republicans Save Alderman Olson,

City Solicitor Snyder and Treasurer True Out of General Wreck of the Ticket.

The air was decidedly democratic in Council Bluffs yesterday, Contrary to expectations the majority of the republican ticket went down to defeat and in most instances by decided majorities. The result was simply one of those things "which no fellow can find out" the cause for. How Mrs. O. M. Brown left yesterday on a it was done, however, is evident. The visit to her sister, Mrs. H. S. Lynn, at democrats simply voted their ticket straight, while the republicans were busy scratching. Out of the wreck the republicans saved Olson, for aiderman-at-large, the sole aldermanic candidate elected by the party; Snyder, for city solicitor, and True, for treasurer. The democratic column looks like this: Mayor, one aldermanat-large, auditor, city engineer, assessor, superintendent of markets, park commissioner and the entire six ward aldermen. Owing to deaths in the family of Mayorelect Macrae and City Engineer Etnyre the democracy abandoned any celebration of their victory.

Following is the result in detail: For Mayor.

other action to be taken only on vote of three or more members.

There are provisions for the fixing of salaries, designation of a chairman and vice chairman, designation of a chairman and vice chairman, designation of persons to act temporarily as president or superintendent, the handling of funds, naming of treasurers forbidding soliciting presents or bribes, forbidding election contributions, reports from stewards and others connected with the institutions, complete involces and ceports of purchases and disbursements and of income, regulation of contingent funds, expenditures for various subjects, the preparation of bonds and provision for letting contracts and supervising all work. The board shall be organized as soon as possible after the act goes into effect, but shall not take full control until July 1 next when the institutions designated shall all be turned over to this new board.

Fixes the Appropriations,

Fixes the Appropriations. The final meeting of the appropriation ommittee of the legislature was held this afternoon and the figures for the new appropriations for the different educational (dem.) over J. R. McGavern (rep.), 32 mainstitutions of the state agreed upon. The jority; Second ward, C. A. Walker (rep.) mostly with reference to the allowance for the State university, and the figures finally is a new appropriation for the support and two democrats. fund. Added to it will be the biennial appropriations, which come from the acts which are continuous in their operation and from the millage funds. In all during the biennial period the university will receive from the state a total of \$721.500 This will come in the following funds: . \$149,500

From mlllage tax..... To this must be added the receipts from tuition, which are estimated at \$125,000, making the total \$846,500.

The appropriation committee has agreed upon the sum of \$379,000 for the State college at Ames. To this must be added \$130,000 receipts from continuous appropriations, \$252,000 from the millage tax and \$150,000 from the United States government, which will make the resources of that school for the biennial period a total of \$901,000.

Besides the regular millage tax for the State Normal school at Cedar Falls, that | institution is given an addition to its support fund of \$84,000.

With an attendance of scarcely more than half its members, the senate this morning passed but a few bills. Those adopted include one by Young of Calhoun, relating to payments for boards of health for expenses in restricting the spread of infectious diseases; Hayward's bill giving special charter cities right to condemn and for park purposes, and providing for the raising of funds for sustaining parks. was passed; Elerick's bill, relating to reversion of unused schools lands to original wher was adopted as was also a legalizing act upholding the supervisors of Clayton county in the purchase of land.

The appropriation committee reported favorably on the bill giving \$200,000 for completion of the state historical library; favored an appropriation for the purpose of providing books for the treasurer of state and his deputy; favored appropriation for expense of visiting committees to lifferent state institutions; appropriating \$13,000 for the maintenance of the office of fish and game warden; and opposed the passage of the bill appropriating \$100,000 for the erection of a state arsenal for the National Guard.

A bill to provide for savings banks investing funds outside the state was defeated, but will be reconsidered. The senate this afternoon passed a bill to provide that at least three of the mem-

bankers to get under the incorporation laws

bers of the Library board shall be women, also a measure to provide that decrees of divorce shall not be issued until the next term of court after the one when the cases have been heard and decided. Private Banks Incorporate.

The inovement on the part of private J. N. Lyon. D.D.S. ankers to got under the incorporation laws

of state today issued a charter to the Farmers Savings bank of Pioneer, Humboldt county, formerly a private bank, to have a capital of \$10,000; H. S. Van Alstine, president; D. R. Miles, cashler. At the same time a favorable report was received from the bank examiner in relation to the incorporation of the Tingley State Savings bank, changed from a private bank, with capital of \$20,000; H. R.

Boyd, president; A. R. Haas, cashier. There was filed with the secretary of state the incorporation papers of the Minden Creamery company, capital, \$19,640; and of the Blunt Cattle company, Sloux City, capital \$10,000.

Governor is Still III.

Governor A. B. Cummins is still confined to his home and will not be out for a week or more. He is barely able to be up a portion of each day and is very weak. He is attending to only the most urgent state business and a large number of bills that he will have to sign are accumulating on his desk.

Miners Still Disagree.

Unless an agreement is reached in two days there will be trouble in the coal mining regions of Iowa. The miners and operators resumed their conferences today and day and it is expected that the bill will tried to reach a settlement of the wage be taken up and receive consideration dur- question as affecting the day workers. The be adopted, but the operators want a 5 per cent reduction. It was stated this afternoon that the miners had submitted the matter to the miners' executive board at Indianapolis, as the reduction would affect miners in all parts of the country. The operators say that unless an agreement is reached when the old agreement expires March 31 they will close their mines and walt.
