### Changes at Police Headquarters.

The city council committee on buildings in yesterday's program. Dr. George Ellis, and bridges has decided on carrying out a number of improvements at police headscribing its work and its needs. He said to be installed in a building to be erected that every effort would be made to close at the rear of the city jail. The new addition will be located where the weighand he had every hope that the effort master's office now stands. The heating would be successful. The association plant will be placed in the basement and the weighmaster's office will be on the trades is at a standstill and both sides are walting. ground floor.

By this system, it is believed the cost of the new plant and building can be saved in a few years. To heat the city jail and patrol house nine stoves are used despite the pressure which they admit has and the cost of coal is consequently very been brought to bear by the Business Men's large every winter. Leas fuel than is now

necessary to supply the nine stoves, it is believed, will be required for the new heat-ing plant to heat the three buildings.

The committee has also decided on reno all 35 pm a 140 sm she was feeling very despondent and had isters who fifty years ago organized the about decided to end her life. Test of Veteran Law. Among the bills passed by the state legislature at its recent session was one, requiring that veterans of the civil war be given preference in all public and semipublic employment in the state where it is shown they are competent. F. E. Fellentreter, an old soldier who was poll tax represented four churches and from this collector during the administration of Mayor Morgan, and who was ousted when the democrats secured control of the city council, is preparing to contest the right of

the aldermen to vote him out of office. The bill referred to became a law by publication before the democrats assumed control of the city's affairs and consequently Mr. Fellentreter claims they had no right to

oust him and place in the office a man who was not a veteran of the civil war. He will call the attention of the city council to the matter and if it refuses to recede

Mr. Fellentreter states he will appeal to the courts. N. Y. Plumbing Co. Tel. 230; night, F-667.

 Statistics of Church. A number of interesting statistics were given by Rev. C. H. Taintor of Chicago, field secretary of the Congregational Church Building society. Rev. Taintor had been assigned to speak last evening but instead was given a place on the afternoon pro-

gram, Rev. J. H. Skiles, who made way who were sent to the penitentiary at Fort Madison in October, 1901, for robbing for Rev. O. O. Smith Tuesday afternoon taking Rev. Taintor's place in the evening. William Davis at Twenty-first street and Bev. Taintor has charge of twenty states First avenue, have completed their three and territories and, as he told his audience, years' sentences and have been discharged. he travels nearly 5,000 miles every month Word to this effect was received yesterand consequently sees but little of his day by Clerk Reed of the district court home. Telling of the work of the last fifty from Warden Jones. The young men each earned six months off their senyears of the society which he represented, the speaker gave these figures: tences by good behavlor.

the speaker gave these figures: Three thousand four hundred and ninety-one churches have been secured in fifty states and territories. Sid parsonages have been built in forty-three states and terri-tories in twenty-one years, 34,619,744 have been raised for church and parsonage build-ing in fifty years, 181 new houses of wor-ship were secured during 1908 by the aid of the society, fifty-two parsonages were added to the list during 1908. For church ings since 1853 222,173 was received for this work during 1966 and 3400,000 a year is needed by the society to carry out its work. The society fifty and 3400,000 a year is have the cash in hand before it under-takes any expenditures. The value of the property secured for the Congregational drurch by the aid of the society is in round figures, fl7,000,00. \$2,750

Ase. Rev. E. E. Flint of Creston at the afternoon session spoke on behalf of a system of grading the Sunday schools the same as the public schools. There should be

the children promoted from one department to another as they are in the public schools. He said the system had been adopted in the Sunday school of his church in Creston and had proven most successful.

"Is the Present Status of Biblical Criticiam Injurious to the Church?" was the subject of an address by Dr. Begg of Tabor. The speaker treated the question in a liberal light and gave it as his opinion that the church was not injured by such criti-

society, with comments:

society, with comments: Apples, 84 per cent; pears, 80; American plums, 93; European plums, 75; Japanese plums, 80; cherries, 66; peaches, 36; grapes (not covered), 75; red raspberries, 61; black raspberries, 62; blackberries, 75, and straw-berries, 82 per cent. Peach buds in the eastern part of the state are badly injured. Un the western part they are in better condition. Late varietles of cherries that were defoliated last summer by leaf-spot are in feeble con-dition. Raspberry canes have suffered in the north-central part of the state from dry, cold weather and lack of snow cover-ing. Strawberry plants that were not cov-sred are in a somewhat damaged condition this spring. On the whole, the outlook for a come of 8d. Tot. 147 435 149 446 130 432 152 370 435 446 432 370 434 2,117

ered are in a somewhat damaged condition this spring. On the whole, the outlook for a crop of fruit in this state is encouraging should normal climatic conditions prevail during the fruiting season.

It is alleged by the engineers that a con flict of train orders was wholly responsible for a meeting of trains on the Great Western near Gladbrook at 6 o'clock this morn ing. One had orders to pass at Gladbrook and the other at Green Mountain, and the

neers saw the light of the meeting train soon enough so that his train was stopped before the collision, and the other had checked the speed of his train materially, The graduating exercises of the senior class of the high school will be held Friso that the chief damage was done to the day. June 3, instead of on Thursday, June engines. Both were passenger trains.

Thomas Smith of Albia has appealed to the supreme court from a conviction for murder in the first degree. He was an officer and had arrested a man named Sarver. 'The latter's son interfered as the officer was taking the old man to jail, and a fight followed, in which the younger
