## Local Record.

OFFICE OF THE WEATHER BUREAU. OMAHA, May 12.-Official record of tem-perature and precipitation compared with the corresponding day of the past three years: 1994, 1903, 1902, 1901. Maximum temperature..., 53 64 92 60 Minimum temperature..., 48 51 82 42 Mean temperature..., 56 58 7, 51 Precipitation ...., 56 58 -.00 00 this movement, yet we do not desire newspaper notoriety. I have nothing to do with any branch save the army. I have been solicited to secure applications from Americans of military experience to officer the Chinese army. The object is to secure 'he best talent possible and to put the army Record of temperature and precipitation at Omaha for this day since March 1, 1904; on a level with the powers of the world. I have been working on this project for three months and have been flooded with applications for commissions."
