Class Play a Success

Criticism of the young amateur Thespians would be out of place, but the general verdiet of those who had the pleasure of witnessing it was that the presentation of the sociation at a rate to be agreed upon and class play by the senior class in the high school auditorium last night was most by the bonding companies generally.

creditable, and it was thoroughly enjoyed W. H. Johnson, cashier of the State Savcreditable, and it was thoroughly enjoyed

Interest was added to the production from the fact that Principal F. C. Eneign was the author of the play, which treated of the continental congress and other early events in the nation's history. -

Between the two acts of the play the class exercises were held, Elizabeth Macrae earning well merited applause by her recital of the class history and Miss Donal-dine Bell by her recital of the class will. Vocal and instrumental numbers were given by Dr. Claude Lewis, Miss Helen Dudley and the senior class double quartet, consisting of the Misses Bell, Bigby, Hammer, Cook; Messrs. Joslin, Baldwin, Wil-

At the close of the exercises Superin tendent Clifford introduced Principal Ensign to the audience as the author of the play and paid him a graceful tribute by classing him as the best principal any high school ever had. Principal Ensign in response said he was exceedingly proud of his class, which had entered at the time he became principal four years ago. The proceeds of the entertainment were presented by Fred McCabe, president of the senior class, to the class of 1905, to be devoted to the purchase of a curtain for the stage of the auditorium.

Cadets Elect Officers. Thomas Delaney was elected captain of the high school cadets yesterday afternoon. Other officers elected were: First Heutenant, Charles Hart; second lieutenant, Charles Grason; company clerk, Nels Nelson; treasurer, Linn Baird; sergeant-atarms, George Green.

It was thought best not to elect battalion officers this year, but to wait and see if the membership will be sufficiently large to form one when the new school year opens in September.

With the exception of captain the officers were elected by acclamation. For captain on the first ballot Con Mulligan and Thomas Delaney each received 27 votes. According to the cadets' constitution no member can vote who has not attended two-thirds of the drills. The first ballot was taken without regard to this provision of the constitution, but on the second ballot the rule was enforced and Delaney was elected by a majority of 7 votes over Mulligan.

It was decided to have the annual encampment at Lake Manawa and these were named as a committee on arrangements: Lieutennt Reed, Captain Baldwin, Captain Wilcox, Corporal McDonald and Lieutenant

Robbers Take Revolvers.

Thieves last night broke into the pawn shop of Sam Snyder, 328 West Broadway, The robbery was committed shortly be fore 11 o'clock, and from the fact everything was known to be all right a few minutes before the robbery was discovered it is certain it was done in a re markably short space of time. The thieves seemed to want nothing but revolvers, taking between eighty and 100 of them, eaving jewelry and other things in the place undisturbed. The weapons taken range in value all the way from \$15 each down to the cheapest makes. Mr. Snyder, who lives in an adjoining building, heard the thieves when they broke into the back door of the establishment, but did not realize what was going on until his mother who sleeps in the store, went down to her room a few minutes later and discovered the robbery. The police are of the opinion the job is the work of local talent.

Chronic Sores Eating Ulcers A Constant Drain Upon the System. Nothing is a source of so much trouble as an old sore or ulcer, particu-

larly when located upon the lower extremities where the circulation is weak and sluggish. A gangrenous eating ulcer upon the leg is a frightful sight, and as the poison burrows deeper and deeper into the tissues beneath and the sore continues to spread, one can almost see the flesh melting away and feel the strength going out with the sickening discharges. Great running sores and deep offensive ulcers often develop from a simple boil, swollen gland, bruise or pimple, and are a threatening danger always, because while all such sores are not cancerous, a great many are, and this should make you suspicious of all chronic, slow-healing ulcers and sores, particularly if cancer runs in your family. Face sores are common and cause the greatest annoyance Wheeling, W. Va., May 28, 1903.

because they are so persistent and unsightly and detract so much from one's personal appearance. Middle aged and old people and those whose blood is contaminated and tainted with the germs and poison of malaria or some previous sickness, are the chief sufferers from chronic sores

While the blood

remains in an unhealthy polluted condition, healing is impossible, and LITTLE SIOUX, In., May 31.—(Special.) the sore will continue to grow and spread in spite of wasnes and salves or any superficial or surface treatment, for the sore is the outward sign of some constitutional disorder, a bad condition of the blood and system, which local remedies cannot cure. A blood purifier and tonic is what you need-something to cleanse the blood, restore its lost properties quicken the circulation and invigorate the constitution, and S. S. S. is just such a remedy. It counteracts and removes from the blood all the

impurities and poisons, and gradually builds up the entire system; and when the blood has been purified the healing process begins and the ulcer or sore is soon entirely gone. S. S. S. contains no mineral or poisonous drugs of any description, but is guaranteed a purely vegetable remedy, a blood purifier

and tonic combined and a safe and permanent cure for chronic sores and ulcers. If you have a slow-healing sore of any kind, external or internal, write us about it, and our physicians will advise you without charge Book on "The Blood and Its Diseases" free.
