Gives Three Bases on Balls and a Three-Bagger Does the Rest-

MILLER'S ERROR ALSO LETS IN TWO RUNS

Pa's Men Have No Trouble in Conmeeting with Coons' Slants, but He is Not So Free with Gifts as Companion.

COLORADO SPRINGS, Colo.; June 4 .-(Special Telegram.)—A smashing three-bagger in the eighth inning in today's game with Omaha, after Companion had weakened slightly, resulted in the defeat of the visitors. The hit was made by Graham, who was put in to bat for Coons after the Omaha pitcher had given three bases on balls. Up to that time Com panion had pitched a masterly game and the Rourkeltes seemed to have a cinch. The Cornhuskers had no trouble in lining out Coons' slants, but they were unlucky in placing them. The few hits the Jim mies got off Companion nearly all fell on fertile ground. Miller's error, due in part to the slippery field, was responsible for two runs. Dusty, however, did good work with the stick, lacing out a three-sacker in the sixth that resulted in two scores. In the next inning Miller duplicated the trick after Companion and Carter had lammed out safe ones. Dusty was loudly cheered for his great work at the bat. The

Charlie Brown, the bright young man from Ames college, who has done some wonderful work in the box for his college, reached Omaha yesterday and was sent on directly to join the Rourke family in the west. He will probably make his fiebut with the team in one of the Denver games. Brown's work this season has surpassed even the phenomenal. He has pitched ten games and won every one of them; four of them have been shutouts, and in none has the opposing team scored more than one run. Five hits is the most that has been made off him in any one game, and the average for the ten is two and one-half. He says he is in good shape for hard work, and if so he will surely be an acquisition, for a team never needed pitchers more than Omaha does just now.

Liebhardt has been released. This action has been expected for some time, as Liebhardt has not delivered the goods for Omaha this season. He has pitched ten games and has lost all of them, and Brown Joins Omaha Team.

CREIGHTON WINS FROM BELLEVUE Omaha Collegians Take Fast Game-Score 4 to 2

Creighton went down to Bellevue and defeated the collegians there in one of the fastest games ever played on that campus. The score was 4 to 2. The game was exciting and many fine plays were made on both sides. Pendergast made the only three-barger of the day and it was in the seventh when two men were on bases. Giffon, Bellevue's star twirler, was knocked off the rubber in the seventh inning, when Graves relieved him and was much better. Frank Donahue for Creighton pitched a beautiful game, was very steady, gave no base on bails and allowed but three scratch hits. Lanphier's running catch of a liner in the last half of the ninth was a feature and Eddie Creighton and Cassidy made fine catches. The score: CREIGHTON.

ELEVEN INNINGS TO A TIE

New York and Cincinnati Unable to Decide Supremacy.

Incidentally Pitchers Harper and Mc-Ginnity Maintain Their Records of Not Losing a Game This Season,

NEW YORK, June 4.-Cincinnati and New York broke even on the series with an eleven-inging tie game today, which was witnessed by probably the largest number of spectators in the history of base ball. Every nook and corner of the covered and open stands was jammed and the spectators who failed to gain points of advantage on the structures crowded in on the field until ground rules were made necessary. The official count of the attendance was 37,228. It was a battle of pitchers, McGinnity and Harper maintaining their record of not losing a game so

Hollys Have a Say. Hollys Have a Say.

In the Tuesday editions of the papers there appeared a piece which said that the Nationals defeated the Hollys on Decoration day. This is not correct, as the Hollys did not play Decoration day and they have never been defeated by the Nationals. On the contrary, the Hollys easily defeated the Nationals this season by an overwhelming foot ball score. The Hollys are willing to take on the Nationals again for \$25 a side. If the Nationals wish to take this up they already have the Hollys' address. It has also been claimed by two different kid teams that they have defeated the Holly Juniors. This is also incorrect as the Holly Juniors have not played yet this year and will not until the school vacation begins. The Holly Juniors have never been defeated since their organization in 1897 and have won almost 300 games in their seven years career.

GOOD PLAY ON SOAKED COURTS

Field Club Tennis Men Pull Off Second The second round of the Omaha Field club tennis tournament was continued yesterady afternoon, and, despite the recent soaking the courts have had, the general play was good. Three matches were finished, leaving but one, between Chase and Kohn, which will be concluded Monday afternoon. Collett, Young and D. and F. Pollard came out winners from yesterday's play and will compete with one another Monday. The general opinion is that the final event will be between Young and Chase. If these two meet the match will certainly be an interesting one, as Young's superiority is considerably lessened by his handleap of 15 and 4, of 15. But Young can do wonderful things with a raquet, as was shown in his play yesterday with Dufrene, when he had the same handleap. Monday is also the date set for the consolations. Yesterday's results were as follows:

Lee lost to Collett. 7-5, 6-2.

Dufrene lost to Young, 6-4, 6-4.

Erwin lost to F. Pollard by default. The second round of the Omaha Field

Favorable Wind,

The first trial race for the right to defend the Manawa challenge cup in the coming St. Joseph races proved the Manawa's claim that it can beat the Ango in a heavy wind to be well founded. The race started in a piping breeze with both boats under reef. On the first round the beat's fought neck and neck, the Argo crossing the line one length shead. At the start of the second round the Manawa took the lead, both boats shaking their reefs, the Manawa gradually gaining. On the homeward run the boats set their balloon jibs to the second buoy and then their spinnskers coming home under full sall, the Manawa leading by about 500 yards. This is the first good breeze which has favored the boats in their trials, and the contest between them made a very pretty race. The sallors of the Manawa are very much elated over their success in distancing their competitor, the Argo. Favorable Wind.
