Wheat Takes a Tumble on Local as Well as Other Boards. CHANGE STILL SHOWS LACK OF SPIRIT

Strong Belief Business Will Revive After Fourth of July—Government Report Bears Down on Wheat Prices.

OMAHA, June 28, 1904. Wheat took a pretty tumble today, not only on the local market, but generally.

Without making a single exception it may be stated, and safely, that the market here as well as elsewhere is very much so.

As was predicted, Liverpool felt the weakness of American markets yesterday.

Notes of the Grain Market. Chicago's report is bearish and it is thought that the market here is pushing wheat down at Chicago today.
