### ECHOES OF THE ANTE ROOM

Woodmen of the World.

U. S. camp No. 29, Woodmen of the World, held a largely attended meeting Thursday evening in Patterson hall, Seventh and Douglas streets. Over sixty were present. The new orchestra of the camp gave its first entertainment, under the leadership of Herman W. Stewart. Refreshments were served and fifteen new applications for membership were received. This camp will meet the first and third Thursdays of each month and each meeting will be enlivened with music by the camp orchestra.

Omaha-Seymour camp No. 16 is organizing a chorus of fifty voices for its entertainment purposes.

Omaha-Seymour camp No. 18 will send a team and officers to St. Louis to participate in the international prize drill during fraternal week. The contest will enlist the skill of all the leading Woodmen of the World teams in the country and the Omaha team intends to carry off one or more of the prizes.

The carnival arrangements are rapidly approaching completion and will be under charge of Alpha camp. The dates for the carnival are fixed for the first or second week in August. It is the determination to improve on the last Woodmen carnival both in the line of entertainments and attractions. The whole work of the carnival will develop upon Alpha camp, because of Omaha-Seymour camp being engaged in preparing for the national prize drill contest at St. Louis.

Alpha Grove No. 2 is considering the project of a big picnic about the middle of this month. Committees have been appointed to make arrangements therefor and due announcement will be made of the date and place.

### Tribe of Ben Hur.

Omaha lodge No. 119 held a very successful literary entertainment and box social in its hall, Seventeenth and Douglas streets, last Tuesday night. July 5, the officers of this lodge will be installed by the degree team of Jewel court, Council Bluffs. It is announced as important that every one who desires to be transferred from other courts to this new court should make arrangements at once. Every officer elected has been urged to be on hand next Tuesday night for installation.

At the recent triennial held by the supreme tribe of Ben Hur all of the old officers were unanimously elected and votes endorsing their management. The Tribe of Ben Hur has over 5,000 members.

At the recent session of the supreme tribe of Ben Hur the laws were changed so hereafter all new certificates, except in case of death from accident, will be "scaled." In other words, a member still pays the regular assessment on \$1,000 insurance, but if he dies within six months his beneficiaries would be paid only \$300; after six months and before one year, \$500; from twelve to eighteen months, \$600; from eighteen months to two years, \$750; and after two years the full \$1,000 would be paid. Plainly stated, it is simply making a higher rate for the first two years' membership.

Arrangements are now well under way for a special convocation of the thirty-third degree Masons, to be held at St. Louis during the World's fair early in the fall. This will be the first time that the convocation has ever been held outside the supreme consistory at Washington and was authorized at the last triennial conference. The session will last several days and will be the means of calling together the leading Masonic rites Masons of the
