DENVER PITCHERS POUNDED PLENTY Every Man on Omaka Team but Shipke

Gets Into Hit Column, While Brown Holds the Mountaineers Safe.

OENVER, June 8 .- (Special Telegram.)-What Student Brown did to the Grizzlies today, both with his patent fin and his telegraph pole, is a shame to put into print. The Omaha pitcher was the whole show, barring a few stunts with the willow by Welch and Thomas, his tenmmates. Brown's playing was of the sensational ordown whipped from start to finish. The third inning started with a three-bagger by Brown. This was the cue to every man who followed to swat the ball good and the fireworks did not go out till five Rourkites had crossed the plate. Brown came home on a hit by Carter and then Miller, King. Howard and Welch followed with safe

Eyler insted until the sixth inning, when Kenna took his place on the rubber, but this did not change the luck.

With the arrival of hot weather and the recent strengthening of the weak teams in the league, the attendance here is greatly improved. The score:

O'Brien Stopped by the Mayor.

PHILADELPHIA, July 5.—The six-round boxing bout between Bob Fitzsimmons and Jack O'Brien, which was to have taken place at the Philadelphia National league base ball park tonight for the benefit of the Evening Telegraph free loe fund, was declared off this afternoon by the management on account of the action of Mayor Weaver in issuing orders to the police to stop the contest. The mayor held that a contest such as was scheduled between Fitzsimmons and O'Brien would be a prize-fight and therefore a violation of the law, He warned the management of the affair that he would order the police to arrest the fighters the moment they stepped into the ring.

Between Fifty and Sixty Players Will Contest for Trophy at Field Club.

The monthly golf play for the Beaton cup will be on the course of the Field club this afternoon between the hours of 1 and 3 o'clock. It is expected that the entry list will number between fifty and sixty. It will be medal play, with handicap.

The Beaton trophy must be won three times before it becomes the property of the owner. In view of the sharp competition which was experienced in the recent tourney at the club much interest is attached to the outcome of this July event.

Besides this play there will be a match between the four players who tied for the silver cup in the recent tourney. E. A. Cope. B. L. Kemper, J. B. Porter and Dr. Shernaden will play off the deciding games.

Many of the local habitues of the golf course are watching, and not without unusual interest, the progress of the Chicago tournament, which is under way at the Glenview course. A. J. Christie, the instructor at the Field club, is taking part in the big meet there and his friends are hopeful for his success. Contest for Trophy at Field Club.
