Some labor troubles exist in branches of the iron and steel industry in Pennsyl-vania and the miners' strike in Alabama renders manufacturers' firmer in their views as regards pig iron. The steel rail mills of the country have about half their pos-sible output booked, but the outlook for the balance of the year is uncertain. The humber trade is rather quiet as a whole. Eastern manufacturers report business rather quiet. Business failures in the United States for the week ending July number 175, against 204 last week. 154 in the like week in 1992, 195 in 1992, 199 in 1960 and 221 in 1990. In Canada, failures for the week number 14, as against 20 inst week and 20 in this week a year ago. Wheat, including four, exports for the week ending July 7, aggregato 578,910 bushels, against 1,127,585 bushels last week, 2,380,410 this week hast year, 4,404,115 in 1903 and 5,006,149 in 1902. Corn exports for the week aggregate 6,180,184 bushels, against 555,657 last week, 1,55,681 a year ago, 185,631 in 1902 and 2,500,-738 in 1901.
