### ERROR INVALIDATES THE RACE

Manawa Was Making Good Showing, Though Not in Lead.

Though Not in Lead. OSHKOSH, Wis. Aug. 21.—(Special Tele-gram.).—The race in Class B Tuesday morn-ing ended in a grand mixup. The course was laid out as two miles before the wind and return, three times around. The Man-awa again got the windward berth. It rounded the west buoy third and in the two-mile beat home fell back to fourth place. On the next run before the wind the leading boat, the Wanderer, instead of making for the stakeboat, headed for a buoy further out into the lake. The other baats followed suit. After they made, the buoy the judges called the race off. There was a heavy southwest wind. In the Class A races in the Alpho of White Bear second. Oshkosh third. War-rior fourth. Alberta fifth Comet II sixth. Charlotte seventh. Lady Inez eighth. Pata ninth. Panurgur tenth. '

# The **Road Efficiency** of the Oldsmobile

The road efficiency is the vital point to consider in purchasing an automobile.

The measure of road efficiency is the actual horse-power ransmitted to the wheels, divided by the weight of the machine.

The Oldsmobile Runabout has a 5x6 cylinder and delivers to the wheels 7 actual horse-power. It weighs 1,100 lbs., making the horse-power per 100 weight .636.

The road efficiency is reduced as the weight of the machine increased.

Careful investigation of these points will prove to you that the Idsmobile Runabout has the highest road efficiency of any run-

about made-and at the lowest price.

Its simplicity and strength are the result of 20 years experience in gas engine building.

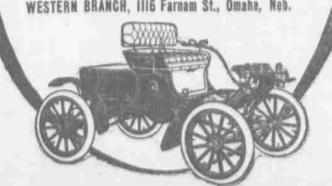

Its reliability is proven. It is the only Runabout that has been driven cross the American continent; in the English Reliability Trials (Sept. '03) it took every prize offered, and its competitors were the best known Amercan and foreign makes. It is the "best thing on wheels."

Send for free catalog telling about its increased power, speed and size, etc. Shows our new patterns. Touring Runabout, \$750.00; Light Tonneau, \$950.00; Oldsmobile Delivery Wagon, \$850.00.
