HARD FIGHT REQUIRED TO DO

Innders Fields Brilliantly, Cutting Off Several Runs with Nine Assists and One Putout at Crit-

teal Times.

Mr. Ryan of Colorado Springs and his band of Millionaires came to Omaha yesterday and in the afternoon played a game of base ball with Pa Rourke's family on the Vinton street preserve, defeating the home guard 6 to 4. The defeat was a bitter pill to swallow, considering Sanders' ependid work both in the box and fielding. Sanders certainly covered himself with glory, making nine assists and a putout, the latter being particularly brilliant. Sanders' quick return balls fooled several of the men from the foothills.

The defeat of the rangers really happened in the fourth inning by a series of unfortunate circumstances. A little more ginger at several critical points would have saved the day and won five cents for the little boy who sits on the center field fonce and tells the great outer world what is going on inside the gates.

The fatal fourth opened like a political rally. Nill and Ryan presented their can-didacies for scores by making a pair of didacles for scores by making a pair of fine hits down through center field. Big Jack Thornton, the third man to thrust himself into the fray, sent out a foul fly, which fell into Gonding's hands and that was the last of Jack for a brief spell. Blake then was nominated for a term at bat and was in the running by getting to first on a hit. Blake stayed on first by the skin of hit. Blake stayed on first by the skin of his teeth and if Dolan had used a little more headwork at this point of the game either Ryan would have been caught on second, Blake at first or, more probably, both on a double play. As it was Dolan attempted to cover second base to catch Byan the second base to catch

attempted to cover second base to catch Ryan, instead of throwing to Howard, then three the ball to first after Blake had reached that point. This made three men on bases, only one out and Graham to bat. Graham sent out a light grounder and got to first on a fielder's choice, Nill going out at the plate by a throw from Sanders to Gonding, the latter forwarding the ball to first to catch Graham, but the ball hit the base runner and before the smoke cleared up Ryan had scored. Baerwaid kept up the good work for ble term. wald kept up the good work for his team by making a two-bagger and Blake scored. Thus the visitors made four hits and scored thrice in the fourth.

Seven base hits was the best the Rangers could do with Mr. Nash. Welch began the exercises for his pals with a two-base hit in the second inning. He scored when Dolan sent out a single. Carter made the only three-base hit of the afternoon A double header will be played with the

Springs this afternoon, the first game being called at 2:30. Attendance, 2,000.
