inning by Belden being hit by a pitched McBride sacrificing and Hartman making a hit, Belden scoring on the hit. A hit in the third by Belden and one in the seventh by Peer is what the St. Joe delegates did after the first inning. Three hits and no walks is what they did with Mr. Brown. In the fifth inning, Garvin, Hodson and Belden struck out in the order named, which caused the little boy on the fence to doff his overshoes and toss a few

Louquets to Brown. The Rangers did not want to be rude with their guests so they did not make any rons until the fourth inning, when a platoon of eight Rourke boys went to bat, pulling down five hits, a sacrifice and

base without being arrested. Howard sacrificed, Welch hit and Carter came in and made out his report for one run. Dolan, Thomas and Schipks followed with good hits, scoring Welch, Dolan and Thomas. During the rest of the game the Rangers made a few hits, which expired before the time limit.

The Saints had another new one, Romig. on third. This afternoon the Rangers and Saints will go at it again. Attendance yesterday was 435 besides Umpire Kelly and the little

boy on the fence. The s	core	1		1000	0000

John Taylor Wins Sensational Victory from Dr. Strong. COLUMBUS, O., Sept. 21.—John Taylor's victory over the noted Doctor Strong was the sensational feature of the third day's Grand circuit racing. Tickets on the de-feated horse sold at \$100 to \$40 for the en-tire field. It took five heats to decide the race and in each the two horses raced like a team for the courth heat. In which John Taylor broke ten lengths away from the wire, each heat was decided by a neck or even loss. The time made in the race was rlow, for a heavy wind blew straight down the backstretch.

Absolutely Accurate Figures on the

Records of Western League Teams. Recards of Western League Teams. Thousands of fans all over the west have been thrown into all kinds of a turmoil by the figures sent out by President Sexton as the official record of the Western league for the games played so far this season. The Bee has been printing this table for the last few days, but under protest, be-cause the table disagrees with the records kept in this office. A patent mistake in the table is in connection with the record for Des Moines, for if that team plays off the games it has scheduled with Colorado Springs it will have played 151 games for the season, if the Sexton figures are right. As the playing schedule only calls for 156 games the error is apparent. The Bee does not abate its loyalty to the Omaha team in
