CLEVELAND R.H.O.A.E

In the fall of 1895 I contracted that fear-il disease, Blood Poison. It gained such eadway that I was compelled to resign my position and seek relief at Hot Springs. After spending all the means I had I went to Memphis. In less than three weeks I was in a hospital, and after nine weeks of suffering I was discharged as cured. In less than a month every bone in my body seemed to be affected and felt as if they would break at the least exertion. Again was compelled to resign, and I returned to the hospital for a seven weeks stay. When I came out I was advised to try farming. When I first went on the farm I farming. When I first went on the farm I prevailed on the only firm who handled drugs to get me one dozen bottles of S. S. At that time both of my hands were roken out with blisters and I was covered with boils and sores. In the meantime my druggist had gotten two dozen bottles of S. S. S. for me and I began its use, and after taking the thirteenth bottle not a sore or boil was visible. R. B. POWELL East 9th St., Little Rock, Ark.

Of all human diseases, Contagious Blood Poison is the most hideous and hateful, The victim is tortured with eating ulcers, sores and abscesses, unsightly blotches, eruptions and other symptoms of the miserable disease. S. S. S. has been used

coessfully for nearly fifty years for tains no mercury, mineral, Our home treatment book gives all the symp-toms of this dis-ease. Medical adease. Medical advice free.

CORNHUSKERS EXCELL IN CARRYING BALL

Benedict Also Ontkicks His Opponent, but in Spite of the Dope Nebrasks Loses the Game to Celorado.

BOULDER, Colo., Oct. 8 .- (Special Tele gram.)-The University of Nebraska today sustained its first reverse upon the gridiron since the Cornhuskers were defeated by the champion Wisconsin eleven in 1901. Today Nebraska went down in a gruelling struggle before Colorado university, the final score standing 6 to 0. But fortune truly smiled upon Colorado's banner, for Booth's pupils lugged the oval on straight football a distance of 240 yards, while Colorado's efforts in the line of ground gaining netted only ninety yards. Benedict, Nebraska's punter, also outkicked his rival, while in returning punts the margin in Nebraska's favor was nearly four yards t one, jet in spite of this comparison, which is all in Nebraska's favor, the trophy of victory went to the mountaineers.

A fumble by Captain Benedict in the early stage of the first half proved fatal to Nebraska's fortunes. Colorado punted and Benedict raced back ten yards before being downed. The force of the tackle drove the ball out of his arms and into the clutches of a hungry opponent. Nebraska's goal at this juncture was only thirty yards away and the westerners put on full steam and directed a succession of plunges against the Nebraska line. The gains, although short, were persistent and dld not end until Caley had been pushed through for a until Caley had been pushed through for a close of the season was played here toquence of the season was pl touchdown. Bender Makes Only Long Run. Bender, Nebraska's whirlwind right half is credited with the only long sprint of the game. Swinging around Colorado's right end, with Benedict heading the interference, he cleared every man of the Colorado eleven the full back alone excepted. Bender, however, was following Benedict too closely and when Caley plunged in

defense in stopping end runs was remark ably efficient and Captain Benedict found himself forced to rely almost entirely on charges into the line. Mason was used persistently on down after down until he reached the limit of human endurance compelling a resort to other tactics in order that he might be given the chance to regain his waning strength. One of Mason's

Nebraska suffered plainly from the quick transition to the rare atmosphere of the mountain state. The Cornhuskers were fagged early in the game and took time on almost every down. Meanwhile the Colorado eleven, which had been pointed with the Nebraska game especially in view, played with splendid dash and spirit and finished strong almost to the last man. There was a complete absence of rough play or wrangling and the Colorado students gave a commendable show of true college spirit by cheering frequently for the visiting team.

Coloradoans Admit Contention. The controversy of last night over the length of the halves was compromised, each team waving a point, and an agreement was reported providing for thirty-minute halves. After the game a member of the Colorado faculty frankly admitted that the cago, 0. At Columbus, O.—State university, 24; prieties dictated by a strict regard for coffege sportsmanship by insisting upon full thirty-five-minute halves, saying that Nebraska's desire to play twenty-five minute halves, on the ground that the high altitude was a detriment to a team from the east, should have been assented to without controversy. He will head a movement to secure a formal expression by the Colorado Athletic board of the error of its management in this regard. The lineup:

Indiana Cornhuskers Defeated in Fiercely Contested Game, CHICAGO, Oct. 8.—Chicago university defeated Purdue university by a score of 20 to 0 in a fiercely contested game of foot ball on Marshall field today. The score at the end of the first half was: Chicago, 9; Purdue, 9. The game was the second of the "Big 5" series.

Both teams were in good condition. There was scarcely ten pounds difference in their aggregate weights, but while Chicago was lighter in line it had the advantage of weight in the back field. Mowery, half-hack, played the star game for Purdue.

swarmed on the field. In the first half the Indians seemed to outclass Bucknell.

In the second half the Bucknells were desperate and several times were penalized for rough playing. The trouble culminated in a free fight between members of the two teams. The field was cleared by the police and play resumed. The Indians were rushing the hall toward Bucknell's goal when the slugging again broke into an open fight. This time the police had hard work in quelling the disturbance and the fight raged for five minutes. Quiet was finally restored and play resumed. The final score was 10 to 4.

COLUMBIA WINS IN FIRST HALF

Williams College Eleven Defeated by NEW YORK. Oct. 8.—Columbia by excellent play during the first half defeated Williams at foot ball at American league park today by a score of 11 to 0. Both touchdowns were made during the first half, in which Columbia displayed the best form her eleven has shown this year. In the second half Columbia did not show as well. During the latter part of the game Columbia was really outplayed by Williams, although the local team's goal was never menaced. Twice Columbia advanced the leather to within fifteen yards of Williams goal, and each time lost the bail on downs. In the second half Columbia was outplayed in punting and defensive play. Duell and Finnegan of Columbia were both ruled from the game for rough play.

Metzenthin was the individual star of the game in running back kicks. Score of 11 to 0.

During the remainder of the struggle the Defense of Washington and Jefferson play was in Colorado's territory practically the entire time. Thrice the Cornhuskers fought their way inside of Colorado's tenyard line, once advancing until the goal was only three yards away, but Nebraska could not batter through and over the line.

The two teams were almost evenly matched on the score of weight. Nebraska's line was slightly heavier, but this advantage was counterbalanced by Colorado's superiority in beef in the back field most of the credit for the victory, for it was the sterling defense of the back field men which so persistently stopped Nebraska's advance where the colorado was the sterling defense of the back field men which so persistently stopped Nebraska's advance attention of the credit for the victory, for it was the sterling defense of the back field men which so persistently stopped Nebraska's advance attention of the colorado's tenyard the grand the Washington and Jefferson game this afternoon, when Princeton never scored until the last minute of play, the visitors holding the bail as long as Prince ton and holding the bail as long as Prince ton and holding the bail as long as Prince ton and holding the bail as long as Prince ton and holding the bail as long as Prince ton and holding the bail as long as Prince ton and holding the bail as long as Prince ton and holding the bail as long as Prince times. LEXINGTON, Ky., Oct. 8.—Major Delmar, the great son of Delmar, out of Expectation, made a new trotting record today when he circled the track in 2:01%, cilipping a half second off the record made by Cresceus at Columbus. Major Delmar used no wind shields or other speed contrivances. Twice before he had equaled the Cresceus record, the last time at Oakley park. The fractional time in his wonderful mile today was 0:29%, 0:59%, 1:25%, 2:01%. He trotted the second quarter in 0:20%, and the fourth in 0:22. The track was in perfect condition. The temperature was uncomfortably warm.

Major Delmar appeared on the track just after the last race on the card was passed. He was driven by his trainer, Alta McDonsid. His pacemaker was a runner driven by Scott Hudson. The terrific gait was almost too much for the runner, who gradually lagged behind. A second pacemaker was picked up at the half. An enormous crowd had been attracted by the announcement that Major Delmar was going to start against time. Summaries:

CREIGHTON BEATS SOLDIERS

College Team Takes Game from Fort Crook, 22 to 5.

BOTH ELEVENS PUT UP STIFF WORK

Lamphier of Creighton Makes Star Play, Working His Way Through Opponents' Line for Sixty-Five Yards.

Yesterday at Vinton street park Creighton

llege fort ball team defeated the Fort lrook team to the tune of 22 to 5. Creighton, which had the north goal, pened the game by Ricking to the soldiers en-yard line and downing the ball before t passed the fifteen-yard line. Fort Crook ept possession of the ball and bucked it back to the college forty-yard line, when Creighton got it and, by plays around right end and repeated line bucking, carried it back to the soldiers' thirty-yard line. Callahan, Creighton's captain, got the ball at this point and made a brilliant run of twenty-five yards. A moment later Kippes wormed his way through the ranks of the oldiers and gained the first touchdown for the college. Callahan kicked the goal. Fort Crook kicked off to Creighton's thirty-yard line and the Creighton men returned it to the soldiers' thirty-five-yard line, where they were downed. By degrees they worked their way to college territory, when, at the twenty-five-yard line, Baker, fullback for Fort Crook, failed to make connections. It looked now as if the college boys would break through the soldiers but Waller, captain for Fort Crook, got the ball and by a beautiful run around right end for twenty-five yards scored a touchdown. Conley failed to kick the goal.

The game stood at 6 to 5 in favor of

Creighton when half time was called,

Play in Second Half. Play in the second half was nearly always in the soldiers' territory, the college boys smashing their way to their opponents' fifteen-vard line shortly after the kickoff. Fort Crook punted it back to the center line and Cy Lamphier of the college obtained possession. At this point was seen the best run of the game. Lamphier worked through the whole team for sixtyfive yards and, amid thec heers of the rah! rah! rooters on the bleachers, scored a touchdown. Creighton missed the goal. This run seemed to discourage the soldiers, for a few moments afterward the ball was back on their five-yard line. After a series of bucking Conley of Fort Crook got the ball, but in attempting to punt it away kicked it against the posts. The ball bounded back under the bleachers, where, after a mighty lot of scrambling, Kippes scored a touchdown for the college, Creighton got the goal. Except for another brilliant run by Waller the soldiers were not in it for the rest of the game and Thorne scored easily after a run for twenty yards. When time was called the ball was on the soldiers' five-yard line The following was the lineup: FORT CROOK CREIGHTON.

For the Human Body in Health and Disease. The mention of sulphur will recall to

many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall. It was the universal spring and fall 'blood purifier," tonic and cure-all, and,

mind you, this old-fashioned remedy was not without merit. The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect. Nowadays we get all the beneficial ef-

fects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur. In recent years research and experiment

have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafers. They are small, chocolate coated pellets and contain the active medicinal principle of sulphur in a highly concentrated, effeedive form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health; sulphur acts directly on the liver and excretory organs and purifies and enriches the blood by the prompt elimination of waste material. Our grandmothers knew this when they dosed us with suiphur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease and cannot compare with the modern concentrated

preparations of sulphur, of which Stuart's Calcium Wafers is undoubtedly the best and mostly widely used. They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike. Dr. R. M. Wilkins, while experimenting

with sulphur remedies, soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers, In patients suffering from bolls and pimples and even deep-seated carbuncles, I have rerepeatedly seen them dry up and disappeat in four or five days, leaving the skin clear. and smooth. Although Stuart's Calcium Wafters is a proprietary article and sold by druggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles, and especially in all forms of skin disease, as this remedy."

At any rate, people who are fired of pills catharties and so-called blood "purifiers" will find in Stuart's Calcium Wafers a far safer, more palatable and effective prepara-
