FUSION FIGURES REFUTED

Deputy Auditor Anteb Presents Chapter from the Record.

WHAT FUSION COST DOUGLAS COUNTY

Two Telephone Companies at Lincoln Engaged in a War of Extremism—Suit Over Sugar Bounty in Court.

(From a Staff Correspondent.) LINCOLN, Oct. 26.—(Special.)—In the World-Herald this morning appeared an editorial calling upon the taxpayers to look up their old tax receipts to prove for themselves that under republican rule their taxes were higher than when the fusion party was in control of the affairs of the state. Among other things the editorial said: "The L. C. receipts are the final test. They furnish the conclusive answer to the query whether the McKinley administration has been extravagant."

Year	Fusion	Republican
1897	\$143,249.55	\$143,249.55
1898	190,234.58	190,234.58
1899	174,323.29	174,323.29
1900	152,961.66	152,961.66
1901	135,048.28	135,048.28
1902	119,001.19	119,001.19
1903	102,880.11	102,880.11
1904	87,197.02	87,197.02
Total	\$966,115.11	\$966,115.11

Net fusion increase \$59,255.21. It requires no juggling of figures to demonstrate that the fusion party has increased the amount of state taxes by the amount of \$59,255.21 in Douglas county under the fusion administration. The fact remains that, on the whole, it amounts to about 10 per cent.

Savage Attack Works. The attack on Governor Mickey by Rev. Mr. Savidge of Omaha last Sunday has resulted in making at least one vote for the governor. A letter was received from a prominent citizen of Louisville this morning marked personal, for which reason the name is not given. The letter follows: "I have read the World-Herald of this date and believe that Rev. Mr. Savidge is wrong, entirely wrong. I had intended to vote the state ticket along prohibition lines, thinking these were the only tickets in this morning. But this letter has convinced me the opposition to you seems to be because of your Christianity. This should not be. I hope for your success at the polls."

Telephone War Breaks Out. The telephone war which has been under way in Lincoln for the last year, resulting in a slashing of rates, a betterment of service and much fussing, is only now beginning. The fighting of the last year has been merely a little skirmish. A campaign is now being waged to knock out of office one of the independent people who know their underpinnings were being knocked out, and a mighty howl went up. The finance committee of the Board of Regents of the State university for settlement. Both the Lincoln Telephone company and the Nebraska Telephone company had a "phone" in the university. Some time ago the Nebraska people made a proposition to the university regents to use only the Nebraska "phone" and shut out the independents. The business was almost accomplished before the independent people knew their underpinnings were being knocked out, and a mighty howl went up. The finance committee, to which the matter was referred, with power to act, was besieged by friends of the independent organization to use only the automatic "phone. As a result nothing definite has yet been decided by the committee, but it is understood that the Nebraska people have two of the three votes and will carry their point."

NO SUBSTITUTE has yet been found for cod liver oil. There are so-called extracts, wines and cordials of cod liver oil that are said to contain the active principles but not the oil itself. This is absurd on its face. You might as well extract the active principles of wheat and make bread with them. The best form of cod liver oil, that can be digested and assimilated most easily, is Scott's Emulsion.

dence. Last night a meeting of the Medical society was held here and the matter was informally discussed, and it is likely at another meeting the doctors will agree to shut out one "phone" in their residences at least. Which "phone" will come under the ban is not known yet, but both corporations are getting busy with the doctors. While both systems give good service a number of people are beginning to find out that it costs considerably more to have two "phones" instead of one, and besides it has been demonstrated that two "phones" are a nuisance either in a business house or a residence.

Sue for Sugar Bounty. Attorneys for the Oxford Sugar Beet company and the Norfolk Sugar Beet company today filed briefs in the supreme court in the suit against the state for a total of \$46,282, claimed to be due because of the law that authorized the state to pay a bounty to the manufacturers of sugar made from the sugar beet. The last legislature granted the companies permission to sue the state and suit was begun in the Lancaster county district court. Attorney General Prout filed a demurrer which was sustained and the cases filed today is an appeal from the decision of the lower court. The attorney general holds that the legislature had no right to authorize the payment of a bounty for private enterprise and as a second defense that the bill had two subjects.

Boycott on Lincoln Laundries. At last the tables have turned. In the future Lincoln will wash a considerable portion of its dirty linen in Omaha. Hereafter it has been just the reverse. Lincoln has kept its dirty linen at home while Omaha has washed much of its in Lincoln. This was the recommendation of the Central Labor union last night, when it was announced at the meeting of the union that the laundry companies here refused to allow their employees to organize a union. The Central Labor union, just as soon as the local unions pass on the matter, will open an office on O street and two or three times a week all of the dirty linen worn by a union man or woman will be sent to a union laundry in Omaha. Arrangements have been made by the union men here to get their laundry done at the same price that it is done here, but there will be no extra charge for freight or express. In Lincoln there are said to be about 1,200 members of labor unions, consequently the loss to the Lincoln laundries will be no little one.

Big Rally at Havlock. The rally at Havlock Saturday night will be all probably the only real big rally with fireworks of the whole campaign. Word was received from there today that the citizens had held a meeting and intended to put the real fire on the meeting. A quantity of red fire and Roman candles have been bought, a marching club has been organized and the rally will be an old time enthusiastic affair. From here the old soldiers will go out in a body and at University Place they will be met by a delegation of Havlock citizens, who will act as an escort to the shop town. Governor Mickey and Norris Brown will do the talking and the other state candidates will be there with the glad hand.

Beacon Must Go Back. A resolution passed by the governor of Ohio was honored at the governor's office this morning for the return to Hamilton county, that state, of George W. Bacon, wanted for forging and selling railroad tickets. According to the information received here this morning the return to Hamilton county, that state, of George W. Bacon, wanted for forging and selling railroad tickets. According to the information received here this morning the return to Hamilton county, that state, of George W. Bacon, wanted for forging and selling railroad tickets.

Challenge County Management. Attorney C. O. Whedon today filed with the district court a petition asking for a judicial inquiry into the affairs of the county. The petition is filed in an appeal from the decision of the county commissioners in making the present levy. Mr. Whedon holds that the levy is extravagant and excessive and, among other things, that the fees paid to county officers are excessive and that too many deputies and employes are on the payroll.

Company to Comply with Law. The Continental Investment company of Chicago, which has an office in Omaha, has announced that it has decided that it will not attempt to do any business in Nebraska until the State Banking board has given it the proper authority. Some days ago Secretary Royle got hold of a prospectus of the company and straightway signified his intention to put a stop to its doing business here until a few rules and regulations were conforming to. The question has been raised here whether the wording on the official ballots now being sent out regarding the calling of a constitutional convention does not invalidate that section of the ballot. On the sample ballot being sent out it says: "A joint resolution of the legislature relating to revising, amending and changing the constitution of the state of Nebraska." Beneath that the voters are instructed to vote for or against. It has been said that the wording on the ballot should have been the wording in the law, which provided for the question to be voted on.

by the legislature requiring the submission of the question to the people of the state provides in explicit terms: "That at such next election of members of the legislature on the ballot of each elector voting at such election, shall be printed in such manner that the elector can indicate his preference under the law the words: 'For calling a convention to revise, amend and change the constitution of Nebraska,' and 'against calling a convention to revise, amend and change the constitution of the state of Nebraska,' and if a majority voting shall vote for the first proposition, it shall, at its next session, provide by law for calling the same."

Students Hear Political Talk. A roasting meeting of the University Roosevelt club was held at the university tonight. Judge Norris, formerly of Nebraska, but now of the Philippines, was the principal speaker and defended the Phillips city yesterday and today, at which time preparations were made and a program arranged for the coming state convention at Geneva, November 25 to December 1. Encouraging reports were received from the work before large assemblies during the season just closed, and in other departments work is progressing nicely, all this being a source of encouragement to the committee, which looks forward to the coming year for a marked increase in sentiment favoring equal suffrage.

PLAN EQUAL SUFFRAGE CAMPAIGN Reports of Work During the Past Year Encouraging. HUMBOLDT, Neb., Oct. 26.—(Special.)—A meeting of the executive committee of the State Woman's Suffrage association occurred at the home of Mrs. Helen Stearns in this city yesterday and today, at which time preparations were made and a program arranged for the coming state convention at Geneva, November 25 to December 1. Encouraging reports were received from the work before large assemblies during the season just closed, and in other departments work is progressing nicely, all this being a source of encouragement to the committee, which looks forward to the coming year for a marked increase in sentiment favoring equal suffrage.

Thieves Are Caught. PLATTSMOUTH, Neb., Oct. 26.—(Special.)—Detective Malone of the Burlington has returned from Colorado, where he succeeded in causing the arrest of three persons, who gave their names as J. M. Harris, an ex-convict, Charles Mook, also an ex-convict, and Earl Bush, 19 years old. They have all been sent to the district court in Akron, Colo. Bush made a confession, naming the towns where they had stolen merchandise from the cars in small quantities and shipped it to Denver, where an accomplice had disposed of it. Malone has a present against the three, consisting of sixty pairs of shoes from the Burlington and readily recognized them. Bush said that he joined the others last spring and committed his first robbery in a Nebraska town.

Burkett at Neligh. NELIGH, Neb., Oct. 26.—(Special.)—Hon. E. J. Burkett delivered a telling speech in the court room last evening to an audience composed almost exclusively of voters. It was a most brilliant and impressive address, and the speaker after reviewing the history of the different parties for the last few years and giving a clear and comprehensive statement of the progress and prosperity that has come to the nation since the election of McKinley, took up the new revenue law. He showed that similar measures had been advocated by Governors Holcomb and Poynter and had been demanded in the platforms of all parties, and that its repeal was demanded by the populist and democratic parties and desired by the railroads and corporations.

Japs Are Defeated. ANBLEY, Neb., Oct. 26.—(Special.)—After the foot ball game at Mason Monday between the Broken Bow team and Mason some of the players, including the captain, at the saloon became entangled with members of a Japanese railroad gang and in the affray "Niger Bill" of Broken Bow used his razor, cutting badly across the face of Y. Teiny, the foreman of the Japanese team. Two other Japanese were cut, but not dangerously. "Niger Bill" waived examination and was bound over to the district court. The feeling runs high against him. The workmen have been at the place since Monday, and the lines near here and the business men are very high of them as orderly and peaceable people.

Berge Speaks at Kearney. KEARNEY, Neb., Oct. 26.—(Special Telegram.)—George W. Berge, candidate of the fusion forces for governor, spoke in this city last night to a small audience. In his address he arrayed himself in direct opposition to the independent telephone interests of the state. The speaker made a pathetic appeal to voters to cast partisan prejudice aside and vote for him for governor and wound up by urging his hearers to vote for the fusion candidates for the legislature, so that he would not be handicapped when he assumed the gubernatorial office by having a legislature not in sympathy with him.

Brakeman Has Narrow Escape. NORFOLK, Neb., Oct. 26.—(Special.)—Brakeman L. W. Hansen of Emerson, Neb., owes his life to luck. Beneath the wheels of his freight train on the Omaha road he was nearly ground to death in the switching yard here. The train was being moved from the top of a moving car by the sudden setting of the air, his body lit beneath the trucks and was churned for some distance, being shoved along by the guards and kept by them from the wheels. His body was mangled about the legs and feet, and he was injured in the back, but will recover.

Wreck on Burlington. PLATTSMOUTH, Neb., Oct. 26.—(Special.)—An eastbound stock train on the Burlington collided with a work train at Cedar Creek last night. The caboose of the work train was split in two and a portion of it thrown upon the depot platform, while two flat cars were wrecked. The pilot of the engine of the stock train was demolished. The work train was standing in front of the depot waiting for orders to return to Plattsmouth, when the stock train suddenly dove in sight, and before it could be

stopped by signal had plowed its way into the caboose of the work train. **Ranch Foreman Commits Suicide.** ANSLEY, Neb., Oct. 26.—(Special.)—Manager Campbell of the large Adams ranch on the South Loup river, southwest of Ansley, committed suicide Monday evening. The owner of the ranch came from Chicago Sunday for the purpose of checking up the accounts and personal property belonging to the ranch. It is reported that he was suffering from a severe case of melancholia, and that he had been there some time and that his whereabouts can be found. The rancher who attached his goods are the National Bank of Ashland, W. N. Becker and J. B. Brownell of Ashland and Lapp & Folsheim of Chicago. The amount of the property will sell for \$25,000, subject to the claims of the creditors.

News of Nebraska. ORCEOLA, Oct. 26.—In honor of Mrs. L. N. Shaw the members of the Rebekah lodge gave a surprise party to commemorate her sixtieth birthday. **SEWARD, Oct. 26.**—Mrs. Carl Schleuter, an old settler of Seward county, died at the home of her son Julius, east of Seward, on Saturday and was interred at Ruby on Monday. **SEWARD, Oct. 26.**—Mrs. Charles Wullenaber, one of the oldest German residents of the county, died at her home in Seward on Tuesday, after a long illness from cancer. Mrs. Wullenaber was 77 years of age. She leaves a husband and one daughter. **FAIRBURY, Oct. 26.**—The city council met last night and passed an ordinance granting the Broken Bow Railway company the right to lay a spur track on Third street from D to E. A large implement warehouse will be built in the spring on the lot adjoining the track. **NORFOLK, Oct. 26.**—Falling from a high scaffolding at Petersburg, Neb., today Jim

Law, an unmarried carpenter, 45 years of age, met death by breaking his back. He was getting ready to build a new house. Surgeons were called at once, but pronounced his case hopeless. **FAIRBURY, Oct. 26.**—Sheriff Coney yesterday arrested two men who gave the names of Wallace and James Brown on the charge of chicken stealing. They claim to be chicken buyers, traveling through the country; but a number of chickens found in their wagon were stolen from a farmer Sunday night. **ASHLAND, Oct. 26.**—The 60th birthday of Samuel A. Quincy, pioneer resident of the ranch, consisting of 5,200 acres of hill pasture land, of which 600 acres is seeded to alfalfa, was sold for \$5,000, and the personal property will sell for \$25,000, subject to inventory. Iowa and Illinois parties are buying the ranch. **News of Nebraska.** ORCEOLA, Oct. 26.—In honor of Mrs. L. N. Shaw the members of the Rebekah lodge gave a surprise party to commemorate her sixtieth birthday. **SEWARD, Oct. 26.**—Mrs. Carl Schleuter, an old settler of Seward county, died at the home of her son Julius, east of Seward, on Saturday and was interred at Ruby on Monday. **SEWARD, Oct. 26.**—Mrs. Charles Wullenaber, one of the oldest German residents of the county, died at her home in Seward on Tuesday, after a long illness from cancer. agency for this system in Nebraska outside Omaha and Lincoln. **FREMONT, Oct. 26.**—For the first time in years there is no vacant store building available for a polling place in the First ward. Usually there are any number of them, but this year every store in the ward is occupied. Arrangements were being made for the erection of a temporary building when Secretary Clark of the Young Men's Christian association offered the use of the boys' game room, which though small will be better than a temporary building. **NORFOLK, Oct. 26.**—The hardware store of Edwards & Bradford at Page, Neb., was entered during the night and robbed of knives, guns and revolvers to the value of perhaps \$50. Unidentified men did the work and although officers are scouring the country in that section of Nebraska tonight no traces has yet been found of the thieves. Authorities at Page are satisfied that strangers did the work from the fact that fragments of the shoes left in the room were different from any shoes ever worn in Page. **FREMONT, Oct. 26.**—At a meeting of the city council last evening it was voted not to sell the E street paving and curbing bonds. City Treasurer Hollenbeck reported that there would be enough money on hand to pay the contract price of \$6,000 from the funds on hand and that a number of the property owners on the street to be paved had announced their intention of paying their entire paving tax, or the most of it, at once, instead of in ten payments, as the ordinance permits. The city is in better financial condition than ever before and by holding these bonds a saving of 6 per cent interest will be made. **PLATTSMOUTH, Oct. 26.**—The Grand Army of the Republic of this city held a regular old-fashioned campfire at their headquarters. The hall was crowded and the exercises very entertaining. The music was furnished by a double quartet, and the well rendered selections much enjoyed. Judge S. M. Chapman paid a glowing tribute to the men of '61 who fought on either side. It was followed by a banquet. Green and James Woodson of Confederate fame, who spoke of the experience in field, camp and prison men. Post Commander R. W. Hyers presided. The Women's Relief corps furnished a bountiful banquet.
