DOANE SCORES THIRD VICTORY

Defeats Grand Island by a Score of Thirty-One to Nothing.

BAPTISTS FIGHT HARD, BUT TO NO AVAIL

Never Near Enough to Goal of the Crete Eleven, However, to Be Dangerous-Some Brilliant Plays Are Pulled Off.

CRETE, Neb., Nov. 7 .- (Special Telegram.)-The Doane Tigers won a clean-cut victory over the Grand Island college eleven EVENTS ON THE RUNNING TRACKS today, piling up a score of 31 to 0 against the elettors. This is Donne's third victory in the intercollegiate league and as its goal line was uncrossed there is much rejoicing in the Tiger camp tonight. The game today was flercer than the score would indicate, all five of the touchdowns secured only by flerce plunges through the line of the plucky Baptists, and during the early part of the game they advanced the ball for some good gains, though never endangering Doane's goal line. A pretty field goal by Day, touchdowns by Wildhober and Fuhor and one goal by Day made the score of the first

In the second half the flerce rushes of the local collegians swept the Baptists off their feet and though half of Doane's regulars were soon replaced by scrubs three more touchdowns and a goal were secured, making the final score 31 to 0. Captain Davis and Starr of the visitors, and Johnson, Wildhober, Wendland and Day of the locals were conspicuous for the good work

HASTINGS BEATEN BY BELLEVUE Presbyterians Put Up Good Fight, but

Presbyterians Put Up Good Fight, but

Are Too Light.

BELLEVUE, Nov. 7.—(Special.)—By persistent center plays and effective tackling behind the line. Hastings held Believue down to a very low score, considering the comparative weights and training of the teams. When the time for the last hait to close was called, Believue was thirty-eight to goose egg ahead of the visiting team, which, throughou: the entire game displayed a spirit that threatened again and again to appease itself in a touchdown at the expense of the more stalwart defenders of local honors. The game began disastrously for Hastings, Murtough cutting around the end to score five for Believue in less than two minutes after the kick off, and indeed in point of lengthy runs made, especially those around the wings of the teams, the visitors were outplayed from start to finish. Once or twice, however, there was an awakening in which the sturdy hill-dweller: of Sarpy county were pushed to the limit of their resources to detend their sacred chalk mark from desacratio: At such times a desperate cheer from the sympathizing onlookers seemed to revive the jadet men who held tenaciously until the umpire was forced to pass the oval over on downs. Then Murtough, Cooper or Brown would fellow up with a long end run for the line: Brown without exception got goal.

Action began with Hull booting off to Runner, who fumbles, making no gaio. Runner then redeems himself with teh yards on a lateral run around right end, Cooper adds ten in much the same manner, when Murtougn carries the ball over on a triple pass. Brown makes goal. From now on the game became extremely spectacular, but had little variety until near the close of the lirst half, when the Histings Presbyterians did their best, almost invariably gelting the man to whom the ball is passed before he had time to more out of his tracks. Nevertheless time was called for the intermission with the relative score twenty to aothing in favor of
