Clothing Dept. The Place for Style.

STYLE! STYLE! STYLE! The cry of the young men—it is answered here. The three-button, double breasted sack young men long for, and the snug fitting semi-military single breasted that everybody wants. But we cannot describe style; that's a matter of taste. You can only appreciate it by seeing. STYLISH SACK SUITS, \$8.50.

You have no idea how much style and careful tailoring can be put into \$8.50, unless you have seen these suits. Fancy mixtures—and, think of it—black rough chevrot. Who ever heard of a good, black, rough chevrot at that price before? STYLISH SACK SUITS, \$10.00.

What style would you like? The dashing double breasted, three-button sack? It's here. What next? The latest four-button sack that is so fashionable? It's here. What cloth? They are all here—fancy mixed cassimeres, chevots, tweeds, pick it out, and no matter which it is you are safe in quality and tailoring. The coat that hangs with that permanent fit that is our bit of the season. STYLISH SACK SUITS, \$15.00.

And they stand alone—unless you put them up against the best you can find for \$20 elsewhere. Fancy cassimeres, chevots, homespuns, fine unfinished worsteds, Scotch tweeds, careful custom tailoring, hand tailoring all through. Style! We get the ideas of every maker who amounts to anything. Call our salesmen into counsel, put their suggestions together with our experience, sift the best from the good, and the result is a stylishness of cut that you have never seen in ready for service suits, unless you have seen it here.

OVERCOATS—The Top-Notch of Style.

\$7.50 is the place to begin; the price is fixed by the cost of all-wool cloth, good tailors' work, serviceable linings and substantial trimmings. \$10.00 does more, of course, and so does \$12.50 and \$15.00 to \$25.00. Don't make up your mind to pay \$25.00 or \$30.00 until you have seen the \$20.00 overcoats. You have no idea what \$20.00 will do.

Remember the Boys' Clothing Dept.

Some new suits and overcoats just received for Thanksgiving. Remember the watch, with every suit from \$3.95 up. We have cheaper suits and still better ones. HATS. Some new shades in browns, just received, \$3.00 and \$3.50. New line of stiff and soft bosom shirts just received. The usual \$1.50 shirt, our price 1.00. White shirts, 95c, 75c and 50c.
