

GRAIN AND PRODUCE MARKET

Local Lower Until Near Close, When Shorta Buying Again Recovered. FINAL FIGURES SHOW VERY LITTLE DECLINE

December Corn a Point Higher Despite Large Receipts—Corn is Flowing Through Omaha to Gulf—Oats Firm—Wheat and Cattle

There was considerable activity in a speculative way in the corn market, the former showing more or less irregularly, while the latter displayed a burst of strength that surprised its friends and the horns of speculators who favor the short side, by means of a few short stories.

What in the speculative circuit opened at 11 3/4, recovering to 12, a net gain of 1/4, with a further advance to 12 1/4, and a rally to 12 3/4, with commensurate activity in the market.

NEW YORK STOCKS AND BONDS

Violent Rally of Thursday Afternoon Followed by a Renewed Drop in Prices. NO FAILURES RESULT FROM FLURRY

As Soon as This Fact is Announced Recovery Set In and the Close is Above Thursday's High

NEW YORK, Dec. 9.—Succeeding the commotion in the stock market yesterday the course of prices today followed according to the usual pattern of increasing fluctuations. After the violent rally of yesterday afternoon it was expected that there should be a renewed drop this morning. There were several normal reactions to be noted, but the recovery in prices was the holdings of room traders secured on the previous drop. With numerous buyers, settling back during the final trading, and the market closed at a high level, with a net gain of 1/4.

The recovery in prices was the holdings of room traders secured on the previous drop. With numerous buyers, settling back during the final trading, and the market closed at a high level, with a net gain of 1/4.
