DISACREE OVER CLERK HIRE | fore the board at present for miscellaneou

County Board and Ex-Recorder Smith Held Divergent Views.

FILES BILL FOR THREE HUNDRED DOLLARS

Fees of Office Ample to Pay Expense but Board of Opinion County Should Realize Something in Way of Profits.

What constitutes "necessary extra clerical help" in the office of the county recorder is a question which the board of supervisors is called upon to determine. Elmer Smith, the retiring recorder, has filed with pensation and fees as his predecessor in the board a claim of \$300 for extra clerk hire for the three months ending December 31, It is said the board is divided on the question of allowing such an amount, in view of the fact that it had already allowed Mr. Smith \$900 for extra clerk hire for 1904 and one of the supervisors was authority for the statement that Mr. Smith would be required to show exactly how such an amount had been expended by him for such extra clerical help.

The members of the board and County Auditor Cheyne refused yesterday to make public the amounts of Mr. Smith's claim for extra clerk hire, but Mr. Smith him self made no secret about it and stated he was sure the board would allow it Mr. Smith stated further he had employed Miss Graham as stenographer, his own son and the son of Deputy Baird. The young men worked in the office at times after school hours and during the vaca-

On three previous occasions Mr. Smith filed a claim for \$275 for extra clerical work and the board cut it down to \$300, the amount of the present claim. If the present claim is allowed, Mr. Smith will then have received \$1,200 for 1904 for extra clerk hire. In addition Mr. Smith has filed a claim for \$100 for a typewriter, which he centends, he purchased for the use of the

former occasions and each time has been quietly but firmly ignored. It is also said that Mr. Smith has still another bill be-

In regard to the request of the West Council Bluffs Improvement club that the city donate it three lots on West Broadway for a site for a public hall the committee decided that it would recommend that the city donate one lot and give the club an option on the lot on either side, thus affording the club an opportunity to become the owner of such lots before any other would-be purchaser. The lot to be onated will be given on the condition that t revert to the city in the event of the allding on it ceasing to be a public half.
