

JAPANS NOW SEEK VLADIVOSTOK

Such is Declaration of Count T. Inoué, Who Stops in Omaha.

MIKADO WANTS NO PEACE JUST YET

Insists on Whipping Us Thoroughly While at the Job—Visitor Will Not Reveal His Mission.

Some mystery attends the visit to this city of Count T. Inoué, a Japanese who is registered at the Paxton. Count Inoué admits he is here to interest the government, but in what capacity he declines to say.

"No, I am sure it would not. Japan does not want peace just now. It does not want peace until Russia is thoroughly whipped and whipped so badly that it will stay whipped."

VIADIVOSTOK COMES NEXT

"To take Vladivostok from the sea, Vladivostok will shut out the czar by land."

"Russia talks of putting more men in the field and promises to crush the Japanese armies in spite of Port Arthur."

"How does it propose to do it? We have Port Arthur; we have Mukden; we will have Vladivostok. It can't fight us by sea because it has no fleet now worthy the name."

"Russia's generals have laid out a brilliant campaign; they have made few mistakes. Our generals cannot make any mistakes."

City Treasurer Hennings has compiled the following statement, which shows the amount of personal taxes collected during 1904, with the various years on which these taxes applied. The figures show that 90 per cent of the 1904 taxes were collected during eight months, something unprecedented in the annals of the city treasurer's office, Mr. Hennings states.
