City Attorney Says it Should for Walks Along Baylies Park.

RAILROADS ASKED TO PAY FOR DREDGING

Government Riprapping Above Illinois Central Bridge Reported to Be in Good Condition, but Banks Eisewhere Cutting.

That the park board should, out of the Solicitor Snyder, handed down at the meet-

ing of the city council last night. The matter was referred to the judiciary committee, with instructions to use its best park commissioners to recede from their position and to consent to the payment of the assessment out of the park funds, in view of the fact that the city's general

A resolution was adopted calling upon the several railroads whose bridges cross hill streets onto them. This will have to Indian creek to bear their proportionate be cleared away by wagons and shovels. cost of dredging the creek from Eighth street to Sixteenth avenue or else to at once raise their bridges five feet above the number of bridges each of the railroads have across the creek. The city engineer estimates that about 70,000 yards of dirt resolution are to be sent to each of the railroads interested.

City Engineer Etnyre reported that he a month or possibly earlier. had investigated the government riprapping west of the Illinois Central bridge which was said to be washing away and that he had found about one-quarter of a mile west of the bridge a space of from 100 to 150 yards where apparently there never had been any protection work and where the river was slightly washing into the bank. Except for this he had found the riprapping in good condition. He suggested that the aldermen inspect the place themselves.

The South Side Improvement club, through its president, T. A. Brewick, exended its thanks for the new fire house in that section of the city and requested that two alarm boxes be placed south of Sixteenth avenue, the location to be designated by the fire chief. The request was referred to the committee on fire and light. A protest from residents on North Thirtyseventh street against the city dump being ocated in that vicinity was referred to the

Residents of Morningside and other hillside additions petitioned that no contract be entered into with the water works company unless they were accorded water for domestic and fire protection purposes. J. G. Bradley, as a committee from the First Ward Improvement club, asked that an arc light be placed on Harrison street, and the request was referred to the committee on fire and light.

city marshal and Board of Health.

Barris & Besley asked that they be reunderstanding of the council was that no An autopsy was performed yesterday upon the whole to investigate.

It was decided to meet as a committee of the whole Wednesday afternoon. The council adjourned to Monday, March 20.

ENFORCING VACCINATION ORDER Board of Health Indicates What Con-

stitutes Compliance. The Board of Health last evening decided it was now up to the Board of Education to enforce the order regarding vaccination and that on Friday of this week it should determine what children had furnished proper certificates of vac-Council Bluffs 5:46 pm 2:30 pm cination. All children failing to furnish the necessary certificates must be excluded from school and the same rule is to apply to the teachers and others con-

nected with the schools. The board also decided that "internal vaccination" would not suffice and that a certificate of vaccination by scarifica- ate proved too strong. tion alone would entitle the child to remain in school.

In cases where the primary vaccination did not "take" the certificate must show that the child had been revaccinated. Attorney Hewitt appeared before the board on behalf of the owner of the property at 307 West Broadway with a request that the city ordinance be modified in his case and that he be permitted to fill an old vault and dig a new one alongside. The board turned down the request in view of the fact that Mr. Hewitt had been arrested by orders of the chief of police for violating the ordinance and that his hearing was set for this morning

in police court,

Decrease in Cases for Trial,

The bar docket for the March term of district court, which opens Tuesday, March 14, shows a heavy decrease in the number of cases when compared with the present term. There are 162 equity and 219 law cases, a total of 381, against 550 in this Seventy-one new cases have been filed for the March term. The decrease is due to the fact that over 100 cases which have been burdening the equity and law calendars have been stricken of as "dead timber" by order of the court.

BECOMING

Is an ordeal which all indescribable fear, for nothing compares with the pain and horror of child-birth. The thought

of the suffering and danger in store for her, robs the expectant mother of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off. Thousands of women have found that the use of Mother's Friend during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does Mother's Friend carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning sickness," and other dis-

comforts of this period. Sold by all druggists at MOTHER'S \$1.00 per bottle. Book containing valuable information free. The Bradfield Regulator Co., Atlanta, 6a.

The Universal Popularity

President Roosevelt

from the Standpoint of a Southern Democrat By THOMAS NELSON PAGE A typical Southerner writes this article about the President.

It is a critical and dignified estimate of the President. The whole paper is very clarifying and admirably serves to call attention to the changing attitude of the South toward Mr. Roosevelti

Other Vital Articles Are 1-The Financial Centre of
