

VON WALLER FOUND GUILTY

Jury Agrees on Verdict of Murder in the Second Degree. COMMENTS PRISONER TO COURT'S MERCY

George Von Waller was found guilty of murder in the second degree by the jury which has been considering his case since Saturday noon. The jury came into court with its verdict shortly before 5:30 Monday afternoon.

Accompanying the verdict of the jury was a recommendation to the court for leniency. Judge Day had directed the bailiff to bring the jury into court about 3:30, and had asked if there was any chance of an agreement being reached.

A question was raised by two of the jurors as to the exact meaning of one or two expressions in the court's charge to the jury. Judge Day said he did not feel like revising any part of the charge and the jury retired for further consideration.

When the verdict was returned to court neither Mrs. George Von Waller, his wife, Mrs. Mary Von Waller, his mother, or any other relative was in court.

The punishment for murder in the second degree, under the Nebraska law, is not less than ten years in the penitentiary or life imprisonment, in the discretion of the court.

In discharging the jury Judge Day complimented them on their conscientious discharge of a most disagreeable duty. He said that during the two weeks of separation from their families his sympathies had been with them.

NEW SCHOOL FOR NORTHWEST

Old Monmouth Park Building Goes to a New Site Without Delay.

The work of moving the old Monmouth Park school building, which consists of a two-room frame structure, from its present location at Thirty-third street and Meredith avenue, to Thirty-sixth street and Kansas avenue, has been started.

The chief reason for the new school is that there are from forty to fifty children of ages attending the fourth grade down, living in the extreme northwestern part of the city, who have to walk exceptionally long distances to the Monmouth Park and other schools.

Already two aspirants for the janitorship have manifested their desires. It is not improbable that this duty will be placed in the hands of the janitor of the Central Park school and a small sum set aside for the hiring of an assistant.
