MORE THAN BREAK EVEN ON THE TRIP

Put Up Errorless Fielding Came and Make Ten Hits for Seven Runs While Denver Accumulates Only Three.

DENVER, May 3 .- (Special Telegram.)-The Rourkites made a runaway race of the game today and Denver was defeated with the greatest case. McCloskey of Cripple Creek made good. He had great speed and control. In only one inning could the locals hit him consecutively The brilliant support given him was in marked contrast to the bungling work of the Grizzlies, not one-quarter of which shows in the error column. The whole team went into the air in the third inning to the disgust of the fans. Martin's batting was a feature.

The Omahas scored in the second on a pass and hits by Martin and Gonding. The third inning was a farce. Thiel took one in the ribs, went to second on Carter's eafe bunt, which should have been an easy out. Welch went out on a pop-up. Dolan bunted to Schaub, who threw to catch Thiel at the plate but Lucia dropped the ball. Martin then rapped out a single. The Denver players began ball tossing of the school-kid variety and every Rourkite

Martin rapped out a clean home run in the sixth. In the eighth Martin got on by a fielder's choice and scored on an out and Gonding's single.

The nine hits made off McClorkey were badly scattered except in the sixth wher singles by Hayes, Hartsell and Smith with Belden's three bagger netted three runs Attendance, 500. The score: AB. R. H. PO. A. E.

MEN! STOP,

Many a bright and promising career has been blighted by injurious habits of folly before the age of knowledge and understanding and many have been cut short by the unfortunate contracting of some polsonous special disease which, through neglect or improper treatment, has completely undermined and shattered the physical strength and mental faculties. No greater mistake can be made than to consider lightly the first evidence of the introduction of any private disease into your system of to neglect the first symptoms of weakened mind and approach of nervous debility, caused by improper or unnatural habits, excesses, dissipation, etc.

Buch indifference and neglect of the first symptoms is responsible for thousands of human wreaks, failures in life and business, domestic discord, and unhappy married life, divorce, insanity, suicide, etc. Men: Why take such desperate chances? The manifestations of the first symptoms of any disease or weakness should be a warning for you to take prompt steps to safeguard your future life and happiness. You should carefully avoid all uncertain, experimental, dangerous or haif-way treatment, for upon the first treatment depends whether you will be promptly restored to health again, with all taint of the poisonous disease removed from your system, or whether your disease will be allowed to become chronic and subject you to future recurrences of the disease, with the various resulting complications, etc.

of the could but see and treat all men when the first symptoms show themselves there would soon be little need for so-called specialists in chronic diseases, and there would be few men seeking a rejuvenating of their physical, mental and sexual powers, and there would be none marked with the indellible stamp of constitutional Syphilis, and the sufferers from

Varicocele, Gleet, Stricture, Kidney and Bladder Diseases

as MEN continue to disregard the madage. "A stitch in time saves and continue to neglect themselves exercise indifference in securing the treatment at the outset, just so will there be multitudes of chronic

Here's to Health and a Good Digestion

MILWAUKEE

Quality-Individuality-Purity-

The Quality of the Malt decides the body of a beer. Blatz Malt is produced in the brewery's own malt house by trained Malsters (years in Blatz service). "Not only how much malt-but how good" is here the inviolable rule. This method is expensive, but the desired result is always achieved—the vital ingredients of the malt are thereby brought out and retained. To the Blatz malt is due the prevailing full-bodied state of Blatz Beer.

The Hops used in the brewing of Blatz Beer are rich in aromatic properties and tonics (hop bitters), which lend to the beer that fragrance which captivates lovers of the beverage. The tonics act as a mild stimulant to the digestion. Blatz Beer is perfectly fermented and ripened in the coldest and cleanest cellars extant. The most skilled masters zealously guard "Blatz" individuality. The paramount object being to maintain with absolute uniformity every characteristic that has these many years meant Blatz Quality.

omaha has dropped to third place today, but still has an even break in the percentage column, which is good on a trip away from home, especially out west.

New York won a ten-inning game from Boston, but it took twelve men to do it. McGraw is not afraid to put in a new man during the progress of a game.

The club will hold a shoot every Saturday, but as the flows law probibits shooting at live birds, the matches must necessarily be at blue rocks. The Lee-Glass-Andreesens and the S.orz Brewing Company base ball teams will clash at Vinton Street park Sunday afternoon. Manager Butler of the Hardware team says there is considerable interest in these amateur games, but that to increase the interest he has decided to admit all women free. He says that all play better ball when the women are out in force.

Life in New York Tonnet.

NEW YORK. May 3.-Shricking and laughing and brandishing a knife to keep off all who would interfere with his suicidal purpose, an unidentified man, about 30 years old, jumped off the coping of the entrance to the Fourth avenue trolley tunnel at Park avenue and Thirty-fourth street today and was instantly killed. He struck the pavement between the rails squarely on the top of his head.

He chose the moment for his jump, apparently, with the idea that a car which left the tunnel at the time would crush him if his leap did not prove fatal. The motorman brought the car to a stop with the fender over the man's body,
