

GRAIN AND PRODUCE MARKET

Valentine Lowers Wheat Prices by Unloading Millions and a Half, CORN REGAINS LITTLE OF WHAT IT LOST

Nebraska Farmers Worried About the Weather—It is Frequent and They Are Late with Their Plowing.

OMAHA, May 10, 1935. The unloading by Valentine of 1,500,000 bushels of wheat on the Chicago market caused a lowering of prices here today.

Chicago, May 10, 1935. The feature of trading in the wheat pit was the selling of a line of July wheat at nearly 1,000,000 bushels by a leading bull trader.

Wheat prices were firm, with decrease of receipts of wheat from 200,000 to 150,000 bushels at Duluth, Ont., 100,000 bushels at Fort Huron and 50,000 bushels at Duluth, Minn.

NEW YORK STOCKS AND BONDS

Market is Stagnant, with Volume of Dealings Lowest for Many Months. TRADING IS OF PROFESSIONAL CHARACTER

Revived Discussion of Railway Rate Regulation Attracts Attention of Brokers—Money is Easy

NEW YORK, May 10.—The market reversed the movement of yesterday and sagged in a heavy manner. The volume of trading which can be attached to the movement was almost entirely professional.

Aside from the technical evidence of the purely professional character of the trading, the shrinkage in the volume of deal-
