SIOUX BEAT OMAHA A PAIR Hit by pitched ball: Mott, Randall. Time. Heavy Hitting at Des Moines.

DES MOINES, ia., May 30.—Heavy hitting won both games for Des Moines today. Both teams played good ball, but the Underwriters' hard hitting at the times when it counted most was too much for the Jobbers, who fought stubbornly to the end of each game. The chief attraction of the day was the squabbling with Umpire Caruthers. M. E. Cantilion and Frank Mc-Nichols of the Des Moines team were ordered off the grounds for protesting against decisions on fouls and balls. Quillin of the visiting team narrowly escaped the same fate when he objected to Long s being given his base on balls after the Des Moines manager had clearly struck at the ball. The crowd of nearly 4,000 joined with the players in protesting against the do-

BEE WALKS ON WORLD-HERALD Base Ball Match Between Printers

Shows Expected Result.

Teams representing the mechanical departments of the World-Hernid and The Bee clashed on the diamond yesterday afternoon with the expected result. The Bee team put the other fellows to inglorious rout. The fielding errors were in a large measure due to the rough condition of the grounds at Twentieth and Paul, where the game was played. But this doesn't account for all of them. The World-Hernid boys say "Corky" Cox has been so accustomed to putting graphite on spacebands that he couldn't keep it off his hands, with the result that he is charged with three fat, juicy blunders at first. Tony Schneckenburger pitched curves that look like his name, but he was up against a bunch of swatters who are accustomed to even tougher things than that, and as a result he was walloped heftily. Riland, who read proof, didn't have any friends before the game commenced, so he is nothing loser. The real feature of the game was Patterson's slide for home, when he scored from first on Duncan's home run. It was certainly a beautiful dive, and anybody who doubts it an go out today and see where Pat tore up the ground. The score: Shows Expected Result.
