COLORADO SPRINGS, June 1 .-- Today" game went to the visitors by a score of to 8 and at no time during the matines did the locals have a peep in. Omaha cinched the game in the eighth and scored another pair of runs. Thiel singled and when Mott dropped the throw to first on Carter's grounder, each runner was safe They moved up a base on Weich's out and a balk sent Thiel over the rubber. A fly to left scored Carter. Dolan was put out of the game in the fourth for protesting a decision at second Thiel moved in to short and Henline played in left field. Three fast double plays were worked by the Omaha infield and the only chances the locals had of scoring were promptly nipped in the bud. Two new men appeared in Springs' uniforms. Arthur Bader played at short and Frishee, loaned by Des Moines, in center. Bader made the only sensational play of the day, a running barehanded pickup of a hot grounder from Dolan's bat.

Sloux City Wins Again. ST. JOSEPH, Mo., June 1.-Sloux City's repetition of yesterday's timely nitting and the sad lack of the same qualities by the locals allowed the Packers to take today's stame by a score of 5 to 0. But one local succeeded in passing second base, when in the fourth inning two hits were pushed out by Flemma and Dougas Weed's double, Collins' three-base drive and Star-nagies single second the ninth and hits by Starnagle and Barwald brought in a couple more. The game was snappy and marred by but two infield errors on diffi-cuit chances. Souders pitched steady ball and with good support in the outhed would have held down the score. Attend-ance, 406. No Objection to One-Year Rule

No Objection to One-Year Rule. IOWA CITY, Ia., June 1.-(Special Tele-gram.)-lowa university is no longer op-posed to the one year residence rule for college athletes, and Prof. A. G. Smith, president of the Western conference and lowa's representative, who left for Chi-cago this morning, has been instructed to vote for its adoption. Iowa's hostilities to the rule last fail arose from the fact that other Iowa colleges had no such provision and its enforcement at the state univers-ity would either drive athletes to other schools in the state or to castern schools. At a recent meeting of the Iowa college conference, however, a rule was adopted covering all of the state colleges and Iowa's tained.

While the university is sending a larger track team to the conference meet this year than ever before, there is little hope of scoring many points. It is believed that Captain Barker may win a place in the broad and high jump, and that Davis may be placed in the 40-yard dash, but that is all

Six members of the St. Paul Automobile club have been made special policemen with power to arrest fast chauffeurs.

The Field club golfers can have the con-solation that they are not the only golfers who have been beaten of late. Walter J. Travis was beaten by a more school boy.

All talk about Jack Thomas being benched is rubbish. He will be found with the team till the end of the season, playing first base as only he in the Western league can play it. Henline could no more take Jack Thomas' place than he could take Johnny Gonding's.
