

GRAIN AND PRODUCE MARKET

Wheat Closes Strong After Holding Weak All Day. Bulls Force Bullage at Session's End. Bearish Sentiment Prevails in Corn and Heavy Receipts Are Offset by Shipments—Outlets Are Dull and Featureless.

OMAHA, June 9, 1905.

The bulls forced a bullage in July wheat to the last fifteen minutes after the market had run down most of the day. The only other tendency toward a higher price was lower. It went up to 10 1/2 cents, but then fell back to 10 1/4 cents. The trading government crop report, the opening of the season, the close was 10 1/4 cents. The market for corn in near futures was bearish. Deferred futures were a little higher. Heavy receipts are offset by a smaller amount of shipments. The market for oats was quiet and featureless. September and October contracts were unchanged. A Kansas City firm reports the first crop of new wheat received at 10 1/2 cents. The grain was bought at 10 1/2 cents. It will reach the market in ten days. Liverpool closed unchanged on wheat and other stocks. The market for corn was good. Demand for cash wheat, with excellent stocks, was reported. Receipts were some what in excess of the estimate. Yesterday and receiving houses reported more than 100,000 bushels of corn. The market for oats was quiet. Receipts were unchanged to 50 lower at 10 1/4 cents. The market for wheat was quiet. Receipts were unchanged to 50 lower at 10 1/4 cents. The market for corn was good. Demand for cash wheat, with excellent stocks, was reported. Receipts were some what in excess of the estimate. Yesterday and receiving houses reported more than 100,000 bushels of corn. The market for oats was quiet. Receipts were unchanged to 50 lower at 10 1/4 cents. The market for wheat was quiet. Receipts were unchanged to 50 lower at 10 1/4 cents.

Concerning the corn situation, today's Record-Herald quotes Patton: "At 50c to the farmer of corn in the Chicago market, 600 cars of corn a day for two or three weeks, but the corn would never come here. It is all being shipped to the west. The market for corn is good. Demand for cash wheat, with excellent stocks, was reported. Receipts were some what in excess of the estimate. Yesterday and receiving houses reported more than 100,000 bushels of corn. The market for oats was quiet. Receipts were unchanged to 50 lower at 10 1/4 cents. The market for wheat was quiet. Receipts were unchanged to 50 lower at 10 1/4 cents.
